

Exam Number: 1
Exam Part: A
Question Count: 75

QUESTIONS

SECTION 1 - VERBAL SKILLS

HSPT-V1-001

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Synonyms

Stimulus ID: None

Prompt: Which word is closest in meaning to diligent?

- A) hardworking
- B) hidden
- C) fragile
- D) ordinary

HSPT-V1-002

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Synonyms

Stimulus ID: None

Prompt: Which word is closest in meaning to reluctant?

- A) eager
- B) unwilling
- C) certain
- D) careless

HSPT-V1-003

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Synonyms

Stimulus ID: None

Prompt: Which word is closest in meaning to verify?

- A) postpone
- B) estimate
- C) confirm
- D) announce

HSPT-V1-004

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Antonyms

Stimulus ID: None

Prompt: Which word is most nearly opposite in meaning to rigid?

- A) narrow
- B) rough
- C) heavy
- D) flexible

HSPT-V1-005

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Antonyms

Stimulus ID: None

Prompt: Which word is most nearly opposite in meaning to conceal?

- A) reveal
- B) gather
- C) protect
- D) replace

HSPT-V1-006

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Antonyms

Stimulus ID: None

Prompt: Which word is most nearly opposite in meaning to scarce?

- A) valuable
- B) plentiful
- C) distant
- D) divided

HSPT-V1-007

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Analogies

Stimulus ID: None

Prompt: Petal is to flower as page is to ____.

- A) ink
- B) chapter
- C) book
- D) reader

HSPT-V1-008

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Analogies

Stimulus ID: None

Prompt: Thermometer is to temperature as scale is to ____.

- A) balance
- B) length
- C) metal
- D) weight

HSPT-V1-009

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Analogies

Stimulus ID: None

Prompt: Sapling is to tree as calf is to ____.

- A) cow
- B) pasture
- C) herd
- D) milk

HSPT-V1-010

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Classification

Stimulus ID: None

Prompt: Which word does not belong with the others?

- A) copper
- B) granite
- C) silver
- D) iron

HSPT-V1-011

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Classification

Stimulus ID: None

Prompt: Which word belongs with sonnet, haiku, and limerick?

- A) portrait
- B) chapter
- C) ode
- D) melody

HSPT-V1-012

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Classification

Stimulus ID: None

Prompt: Robin, sparrow, and finch are all members of which group?

- A) insects
- B) reptiles
- C) mammals
- D) birds

HSPT-V1-013

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Logical Reasoning

Stimulus ID: None

Prompt: Every student on the debate team practices on Tuesday. Lena is on the debate team. Which conclusion must be true?

- A) Lena practices on Tuesday.
- B) Lena practices only on Tuesday.
- C) Every Tuesday student joins the debate team.
- D) Lena leads the debate team.

HSPT-V1-014

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Logical Reasoning

Stimulus ID: None

Prompt: Four folders—green, red, blue, and yellow—stand in a row. Green is immediately before red. Blue is last. Yellow is not first. Which folder must be first?

- A) red
- B) green
- C) yellow
- D) blue

HSPT-V1-015

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Logical Reasoning

Stimulus ID: None

Prompt: If the library is open, its front light is on. The front light is not on. Which conclusion follows logically?

- A) The library has no books.
- B) The light is broken.
- C) The library is not open.
- D) The library will open later.

SECTION 2 - QUANTITATIVE SKILLS

HSPT-Q1-001

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Series

Stimulus ID: None

Prompt: What number comes next? 7, 12, 17, 22, ____

A) 27

B) 26

C) 28

D) 32

HSPT-Q1-002

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Series

Stimulus ID: None

Prompt: What number comes next? 3, 6, 18, 72, ____

A) 144

B) 360

C) 288

D) 432

HSPT-Q1-003

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Series

Stimulus ID: None

Prompt: What number comes next? 40, 35, 31, 28, ____

A) 24

B) 27

C) 26

D) 25

HSPT-Q1-004

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Series

Stimulus ID: None

Prompt: What number comes next? 2, 9, 4, 11, 6, 13, ____

A) 15

B) 7

C) 20

D) 8

HSPT-Q1-005

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Manipulation

Stimulus ID: None

Prompt: Which number is divisible by both 6 and 9?

A) 54

B) 36

C) 45

D) 63

HSPT-Q1-006

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Manipulation

Stimulus ID: None

Prompt: A quantity increases from 80 to 100. What is the percent increase?

A) 20%

B) 25%

C) 40%

D) 80%

HSPT-Q1-007

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Manipulation

Stimulus ID: None

Prompt: If $\frac{3}{5}$ of a number is 27, what is the number?

A) 16.2

B) 32

C) 45

D) 81

HSPT-Q1-008

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Nongeometric Quantitative Comparison

Stimulus ID: None

Prompt: x is a nonzero number. Quantity A: x . Quantity B: $-x$.

A) Quantity A is greater.

B) Quantity B is greater.

C) The two quantities are equal.

D) The relationship cannot be determined from the information given.

HSPT-Q1-009

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Nongeometric Quantitative Comparison

Stimulus ID: None

Prompt: n is a positive integer. Quantity A: $n + 6$. Quantity B: $n + 2$.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-010

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Nongeometric Quantitative Comparison

Stimulus ID: None

Prompt: Quantity A: $5^2 - 10$. Quantity B: $2^3 + 8$.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-011

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: A rectangle has length 6 units and width 3 units. Quantity A: its area. Quantity B: its perimeter.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-012

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: An isosceles triangle has a vertex angle of x° . Quantity A: either base angle. Quantity B: 60° .

- A) Quantity A is greater.
- B) Quantity B is greater.

- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-013

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: A circle has a radius of 4 units. Quantity A: the circle's diameter. Quantity B: 9 units.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

SECTION 3 - READING COMPREHENSION

STIMULUS START

Stimulus ID: HSPT-R1-S01

Section: Reading Comprehension

Stimulus Type: Literary Passage

Title: The Unfinished Kite

Text:

Mara had promised to bring a handmade kite to Saturday's neighborhood festival. By Friday evening, however, the frame still leaned crookedly across her worktable. She tugged at the string binding two reeds, but the knot slipped again.

Her grandfather watched from the doorway. Mara expected him to take the frame and fix it. Instead, he placed an old blue kite beside her. One side was patched with newspaper, and its tail was made from mismatched strips of cloth.

"This won no prizes," he said, "but it stayed in the air longer than every perfect-looking kite that day." He showed Mara how each patch had strengthened a weak spot, then left her to work.

Mara studied her frame. Rather than starting over, she loosened one joint, shortened a reed, and retied the knot. The kite was not symmetrical, but its paper covering finally lay smooth. At the festival, a sudden gust sent several bright store-bought kites spinning toward the ground. Mara's kite dipped, shuddered, and then climbed. As its uneven tail flickered above the field, Mara stopped noticing the crooked edge. She felt the pull of the string in her hands and smiled.

STIMULUS END

HSPT-R1-001

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S01

Prompt: What does Mara change after examining the frame?

- A) She loosens a joint and shortens a reed.
- B) She replaces the paper with cloth.
- C) She copies her grandfather's kite exactly.
- D) She buys a stronger frame.

HSPT-R1-002

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S01

Prompt: Why does Mara's grandfather show her his old kite?

- A) To persuade her to enter a different contest
- B) To show that usefulness can matter more than perfect appearance
- C) To warn her that newspaper tears easily
- D) To ask her to repair it before the festival

HSPT-R1-003

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Vocabulary in Context

Stimulus ID: HSPT-R1-S01

Prompt: As used in the final paragraph, shuddered most nearly means ____.

- A) disappeared
- B) floated silently
- C) shook briefly
- D) broke apart

HSPT-R1-004

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Literary Elements or Techniques

Stimulus ID: HSPT-R1-S01

Prompt: The grandfather's patched kite mainly serves as a symbol of ____.

- A) a forgotten competition
- B) the risks of poor planning
- C) the value of expensive materials
- D) strength gained through repair and persistence

HSPT-R1-005

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Main Idea, Central Thought, or Author's Purpose

Stimulus ID: HSPT-R1-S01

Prompt: Which statement best expresses the passage's central idea?

- A) Imperfect work can succeed when it is thoughtfully improved.
- B) Winning a contest requires help from an expert.
- C) Handmade objects are always stronger than manufactured ones.
- D) People should ignore deadlines when learning a skill.

STIMULUS START

Stimulus ID: HSPT-R1-S02

Section: Reading Comprehension

Stimulus Type: Informational Passage

Title: A Second Life for City Rain

Text:

In many cities, rainwater flows from roofs and pavement into storm drains. During heavy storms, the drainage system may fill faster than it can empty. One method of reducing this strain is the rain garden: a shallow planted area designed to collect runoff temporarily.

A rain garden is usually placed lower than nearby hard surfaces. Water enters it through a channel or opening and spreads across soil planted with grasses, flowers, and shrubs. The garden does not remain a pond. Instead, its layers allow water to soak gradually into the ground. Plant roots create small pathways in the soil, and leaves slow the force of falling rain.

Rain gardens can also trap some sediment before it reaches streams. Yet their location and construction matter. A garden built too close to a foundation may direct moisture toward a building. Soil that drains very slowly may require a special underlayer or another solution entirely. For this reason, planners first study the site's slope, soil, and typical rainfall.

Although one rain garden cannot prevent every flood, many small gardens distributed across a neighborhood can reduce the amount of water entering drains at the same moment. They turn overlooked spaces into working parts of a city's water system.

STIMULUS END

HSPT-R1-006

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S02

Prompt: According to the passage, what do plant roots do in a rain garden?

- A) Remove all pollution from runoff
- B) Create pathways that help water enter the soil
- C) Prevent any soil from moving
- D) Keep the garden permanently filled

HSPT-R1-007

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S02

Prompt: What should planners examine before building a rain garden?

- A) The age of nearby buildings
- B) The number of neighborhood streets
- C) The site's slope, soil, and typical rainfall
- D) The color of the planned flowers

HSPT-R1-008

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Organization, Tone, Summary, or Text Structure

Stimulus ID: HSPT-R1-S02

Prompt: How is the passage mainly organized?

- A) It compares two cities and judges which is safer.
- B) It gives instructions in a strict numbered sequence.
- C) It tells the history of one gardening invention.
- D) It identifies a drainage problem, explains a response, and notes limitations.

HSPT-R1-009

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Vocabulary in Context

Stimulus ID: HSPT-R1-S02

Prompt: As used in the first paragraph, strain most nearly means ____.

- A) pressure
- B) measurement
- C) filter
- D) damage

HSPT-R1-010

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S02

Prompt: Why can many rain gardens be more useful than a single one?

- A) They eliminate the need for storm drains.
- B) They can collect runoff in several places before it reaches drains.
- C) They make all types of soil drain at the same rate.
- D) They prevent rain from landing on pavement.

STIMULUS START

Stimulus ID: HSPT-R1-S03

Section: Reading Comprehension

Stimulus Type: Humanities Passage

Title: The Value of a Pause

Text:

When people speak together, silence is often treated as an empty space that someone should quickly fill. A pause, however, can do useful work. It gives a listener time to consider what has been said, and it gives a speaker time to choose an accurate response rather than the fastest one.

Different settings give pauses different meanings. During a performance, a brief silence may create suspense. In a classroom discussion, it may signal that students are still forming ideas. In a conversation between friends, it can show careful attention. Of course, silence can also result from confusion or discomfort. Its meaning depends on what happens before and after it.

Because rapid replies are often praised as signs of confidence, people may fear that pausing makes them appear uncertain. Yet a quick response is not always a thoughtful response. Skilled interviewers sometimes wait after an answer instead of rushing to the next question. The person being interviewed may then add a detail that would otherwise have remained unspoken.

Learning to tolerate a short silence does not mean avoiding conversation. It means recognizing that communication includes timing as well as words. A pause is not necessarily the absence of meaning; sometimes it is the space in which meaning becomes clearer.

STIMULUS END

HSPT-R1-011

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Main Idea, Central Thought, or Author's Purpose

Stimulus ID: HSPT-R1-S03

Prompt: What is the author's main purpose?

- A) To teach performers how to memorize lines
- B) To prove that rapid speakers are usually mistaken
- C) To explain how pauses can contribute to communication
- D) To discourage conversation in uncomfortable settings

HSPT-R1-012

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S03

Prompt: What may happen when an interviewer waits after an answer?

- A) The interview must end early.
- B) The next question becomes unnecessary.
- C) The speaker forgets the original question.
- D) The interviewee may provide an additional detail.

HSPT-R1-013

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S03

Prompt: Which belief would the author most likely support?

- A) Thoughtful timing can be as important as word choice.
- B) Every silence indicates careful attention.
- C) Confident people should answer immediately.
- D) Classroom discussions should contain no pauses.

HSPT-R1-014

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Vocabulary in Context

Stimulus ID: HSPT-R1-S03

Prompt: As used in the last paragraph, tolerate most nearly means ____.

- A) measure
- B) accept
- C) shorten
- D) create

HSPT-R1-015

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Literary Elements or Techniques

Stimulus ID: HSPT-R1-S03

Prompt: In the phrase “a pause can do useful work,” the author uses personification to emphasize that a pause ____.

- A) is difficult to notice
- B) should replace spoken language
- C) can actively serve a purpose
- D) lasts longer than expected

HSPT-R1-016

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Organization, Tone, Summary, or Text Structure

Stimulus ID: HSPT-R1-S03

Prompt: Which choice best describes the tone of the passage?

- A) humorous and playful
- B) impatient and critical
- C) mysterious and uneasy
- D) thoughtful and explanatory

SECTION 4 - MATHEMATICS

HSPT-M1-001

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Numbers and Numeration

Stimulus ID: None

Prompt: What is the value of $18 - 3 \times 4 + 2$?

- A) 8
- B) 62
- C) 2
- D) 20

HSPT-M1-002

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Numbers and Numeration

Stimulus ID: None

Prompt: Which fraction is equivalent to 0.625?

- A) $\frac{3}{5}$
- B) $\frac{5}{8}$
- C) $\frac{2}{3}$
- D) $\frac{7}{10}$

HSPT-M1-003

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Numbers and Numeration

Stimulus ID: None

Prompt: What is the greatest common factor of 36 and 54?

- A) 6
- B) 9
- C) 18
- D) 27

HSPT-M1-004

Section: Mathematics

Skill: Algebra

Stimulus ID: None

Prompt: A recipe uses 2 cups of flour for every 3 batches. At this rate, how many cups are needed for 12 batches?

- A) 6
- B) 9
- C) 18
- D) 8

HSPT-M1-009

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Geometry

Stimulus ID: None

Prompt: Two angles are complementary. One angle measures 37° . What is the measure of the other angle?

- A) 53°
- B) 143°
- C) 63°
- D) 323°

HSPT-M1-010

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Geometry

Stimulus ID: None

Prompt: A square has an area of 144 square centimeters. What is its perimeter?

- A) 36 centimeters
- B) 48 centimeters
- C) 24 centimeters
- D) 576 centimeters

HSPT-M1-011

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Geometry

Stimulus ID: None

Prompt: A right triangle has legs of 6 units and 8 units. What is the length of its hypotenuse?

- A) 12 units
- B) 14 units
- C) 10 units
- D) 7 units

HSPT-M1-012

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Measurement

Stimulus ID: None

Prompt: A movie begins at 6:47 p.m. and ends at 8:35 p.m. How long is the movie?

- A) 1 hour 38 minutes
- B) 2 hours 12 minutes
- C) 1 hour 52 minutes
- D) 1 hour 48 minutes

HSPT-M1-013

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Measurement

Stimulus ID: None

Prompt: A map uses a scale of 1 inch = 18 miles. Two towns are 3.5 inches apart on the map. What is their actual distance?

- A) 63 miles
- B) 54 miles
- C) 72 miles
- D) 21.5 miles

HSPT-M1-014

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Statistics, Data, or Basic Probability

Stimulus ID: None

Prompt: The mean of five numbers is 18. Four of the numbers are 12, 17, 20, and 24. What is the fifth number?

- A) 15
- B) 17
- C) 19
- D) 21

HSPT-M1-015

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Statistics, Data, or Basic Probability

Stimulus ID: None

Prompt: A bag contains 4 red, 3 blue, and 5 green tiles. What is the probability of drawing a blue tile?

- A) $\frac{1}{3}$
- B) $\frac{3}{8}$
- C) $\frac{1}{4}$
- D) $\frac{3}{5}$

HSPT-M1-016

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Statistics, Data, or Basic Probability

Stimulus ID: None

Prompt: The data set is 6, 8, 8, 11, 14, 17. Which statement is true?

- A) The mean is 11.
- B) The mode is 11.
- C) The range is 9.
- D) The median is 9.5.

SECTION 5 - LANGUAGE

HSPT-L1-001

Section: Language

Type: mcq

Category: Language

Skill: Punctuation

Stimulus ID: None

Prompt: Which sentence is punctuated correctly?

- A) After the final bell rang, the students hurried outside.
- B) After the final bell rang the students, hurried outside.
- C) After, the final bell rang the students hurried outside.
- D) After the final bell, rang the students hurried outside.

HSPT-L1-002

Section: Language

Type: mcq

Category: Language

Skill: Punctuation

Stimulus ID: None

Prompt: Which sentence uses the apostrophe correctly?

- A) The two players uniforms were muddy.
- B) The two players' uniforms were muddy.
- C) The two player's uniforms were muddy.
- D) The two players's uniforms were muddy.

HSPT-L1-003

Section: Language

Type: mcq

Category: Language

Skill: Punctuation

Stimulus ID: None

Prompt: Which sentence is punctuated correctly?

- A) I packed three items, a flashlight, a compass, and a map.
- B) I packed: three items a flashlight, a compass, and a map.
- C) I packed three items: a flashlight, a compass, and a map.
- D) I packed three items; a flashlight, a compass, and a map.

HSPT-L1-004

Section: Language

Type: mcq

Category: Language

Skill: Capitalization

Stimulus ID: None

Prompt: Which sentence uses capitalization correctly?

- A) Our class visited the statue of Liberty in October.
- B) Our Class visited the Statue of Liberty in october.
- C) Our class visited the Statue Of Liberty in October.
- D) Our class visited the Statue of Liberty in October.

HSPT-L1-005

Section: Language

Type: mcq

Category: Language

Skill: Capitalization

Stimulus ID: None

Prompt: Which sentence uses capitalization correctly?

- A) Professor Elena Ruiz teaches Spanish on Mondays.
- B) professor Elena Ruiz teaches spanish on Mondays.
- C) Professor Elena Ruiz teaches Spanish on mondays.
- D) Professor elena Ruiz teaches spanish on Mondays.

HSPT-L1-006

Section: Language

Type: mcq

Category: Language

Skill: Spelling

Stimulus ID: None

Prompt: Which word is spelled correctly?

- A) neccessary
- B) necessary
- C) necessary
- D) necessery

HSPT-L1-007

Section: Language

Type: mcq

Category: Language

Skill: Spelling

Stimulus ID: None

Prompt: Which sentence contains a misspelled word?

- A) The committee reviewed the proposal.
- B) Please separate the white shirts from the dark ones.
- C) The guide described the ancint bridge.
- D) We were grateful for the assistance.

HSPT-L1-008

Section: Language

Type: mcq

Category: Language

Skill: Grammar

Stimulus ID: None

Prompt: Which sentence is grammatically correct?

- A) The basket of clean towels were on the bench.
- B) The basket of clean towels are on the bench.
- C) The basket of clean towels have been on the bench.
- D) The basket of clean towels was on the bench.

HSPT-L1-009

Section: Language

Type: mcq

Category: Language

Skill: Grammar

Stimulus ID: None

Prompt: Which sentence uses the correct pronoun?

- A) Jordan and I prepared the display.
- B) Me and Jordan prepared the display.
- C) Jordan and me prepared the display.
- D) Jordan and myself prepared the display.

HSPT-L1-010

Section: Language

Type: mcq

Category: Language

Skill: Grammar

Stimulus ID: None

Prompt: Which revision correctly completes the sentence? By the time the guests arrived, we ____ dinner.

- A) prepare
- B) had prepared
- C) will prepare
- D) preparing

HSPT-L1-011

Section: Language

Type: mcq

Category: Language

Stimulus ID: None

Prompt: Which word correctly completes the sentence? The new schedule will ____ when the buses arrive.

- A) effect
- B) effected
- C) affect
- D) affection

HSPT-L1-012

Section: Language

Type: mcq

Category: Language

Skill: Usage

Stimulus ID: None

Prompt: Which sentence is the clearest and most concise?

- A) At this point in time, we are currently ready.
- B) We are ready now at this current point.
- C) Currently now, we are ready at this time.
- D) We are ready now.

STIMULUS START

Stimulus ID: HSPT-L1-S01

Section: Language

Stimulus Type: Editing Passage

Title: A Useful Corner of the Schoolyard

Text:

(1) An unused corner of our schoolyard could become an outdoor reading area. (2) Several shady trees already make the space comfortable during warm weather. (3) Students could sit on weather-resistant benches and choose books from a small covered cabinet. (4) The basketball team practices in the gym after school. (5) Classes could also use the area for discussions, nature observations, or quiet writing. (6) With a few practical additions, this neglected space could support learning throughout the school day.

STIMULUS END

HSPT-L1-013

Section: Language

Type: mcq

Category: Language

Skill: Composition

Stimulus ID: HSPT-L1-S01

Prompt: Which sentence should be removed because it does not support the paragraph's main idea?

- A) Sentence 4
- B) Sentence 2
- C) Sentence 5
- D) Sentence 6

HSPT-L1-014

Section: Language

Type: mcq

Category: Language

Skill: Composition

Stimulus ID: HSPT-L1-S01

Prompt: Which sentence would best follow sentence 3?

- A) Reading is one of many skills taught in school.

- B) Some cabinets are made from painted metal.
- C) A student committee could rotate the book selection each month.
- D) The schoolyard is larger than the parking lot.

HSPT-L1-015

Section: Language

Type: mcq

Category: Language

Skill: Composition

Stimulus ID: HSPT-L1-S01

Prompt: Which is the best title for the paragraph?

- A) Why Basketball Practice Matters
- B) Trees Found in Many Schoolyards
- C) How to Build a Wooden Cabinet
- D) Turning Empty Space into a Learning Area

ANSWER KEY + EXPLANATIONS

VERBAL SKILLS ANSWERS

HSPT-V1-001 — Correct: A — Correct Answer: hardworking — Explanation: Diligent describes someone who works carefully and steadily, so hardworking is the closest synonym.

HSPT-V1-002 — Correct: B — Correct Answer: unwilling — Explanation: Reluctant describes someone who is hesitant or unwilling to act.

HSPT-V1-003 — Correct: C — Correct Answer: confirm — Explanation: To verify something is to check and confirm that it is true or accurate.

HSPT-V1-004 — Correct: D — Correct Answer: flexible — Explanation: Rigid means stiff or unable to bend, while flexible means able to bend.

HSPT-V1-005 — Correct: A — Correct Answer: reveal — Explanation: Conceal means to hide; reveal means to make known or visible.

HSPT-V1-006 — Correct: B — Correct Answer: plentiful — Explanation: Scarce means limited or hard to find, whereas plentiful means abundant.

HSPT-V1-007 — Correct: C — Correct Answer: book — Explanation: A petal is part of a flower, just as a page is part of a book.

HSPT-V1-008 — Correct: D — Correct Answer: weight — Explanation: A thermometer measures temperature, while a scale measures weight.

HSPT-V1-009 — Correct: A — Correct Answer: cow — Explanation: A sapling is a young tree, and a calf is a young cow.

HSPT-V1-010 — Correct: B — Correct Answer: granite — Explanation: Copper, silver, and iron are metals; granite is a rock.

HSPT-V1-011 — Correct: C — Correct Answer: ode — Explanation: A sonnet, haiku, limerick, and ode are all forms of poetry.

HSPT-V1-012 — Correct: D — Correct Answer: birds — Explanation: Robins, sparrows, and finches are all birds.

HSPT-V1-013 — Correct: A — Correct Answer: Lena practices on Tuesday. — Explanation: The rule applies to every debate-team student, and Lena is identified as one.

HSPT-V1-014 — Correct: B — Correct Answer: green — Explanation: Blue is last, and yellow cannot be first; only green can begin the green-red pair.

HSPT-V1-015 — Correct: C — Correct Answer: The library is not open. — Explanation: If being open requires the light to be on, an unlit light proves the library is not open.

QUANTITATIVE SKILLS ANSWERS

HSPT-Q1-001 — Correct: A — Correct Answer: 27 — Explanation: Each term increases by 5, so $22 + 5 = 27$.

HSPT-Q1-002 — Correct: B — Correct Answer: 360 — Explanation: The terms are multiplied successively by 2, 3, 4, and then 5; $72 \times 5 = 360$.

HSPT-Q1-003 — Correct: C — Correct Answer: 26 — Explanation: The differences are -5 , -4 , and -3 , so the next difference is -2 ; $28 - 2 = 26$.

HSPT-Q1-004 — Correct: D — Correct Answer: 8 — Explanation: Two interwoven sequences increase by 2: 2, 4, 6, 8 and 9, 11, 13.

HSPT-Q1-005 — Correct: A — Correct Answer: 54 — Explanation: A number divisible by both 6 and 9 must be divisible by 18, and $54 \div 18 = 3$.

HSPT-Q1-006 — Correct: B — Correct Answer: 25% — Explanation: The increase is 20, and $20 \div 80 = 0.25 = 25\%$.

HSPT-Q1-007 — Correct: C — Correct Answer: 45 — Explanation: Divide 27 by $3/5$: $27 \times 5/3 = 45$.

HSPT-Q1-008 — Correct: D — Correct Answer: The relationship cannot be determined from the information given. — Explanation: If x is positive, Quantity A is greater; if x is negative, Quantity B is greater.

HSPT-Q1-009 — Correct: A — Correct Answer: Quantity A is greater. — Explanation: Both quantities contain n , and 6 is greater than 2, so Quantity A is always 4 greater.

HSPT-Q1-010 — Correct: B — Correct Answer: Quantity B is greater. — Explanation: Quantity A is $25 - 10 = 15$, while Quantity B is $8 + 8 = 16$.

HSPT-Q1-011 — Correct: C — Correct Answer: The two quantities are equal. — Explanation: The area is $6 \times 3 = 18$, and the perimeter is $2(6 + 3) = 18$.

HSPT-Q1-012 — Correct: D — Correct Answer: The relationship cannot be determined from the information given. — Explanation: Each base angle is $(180^\circ - x^\circ) \div 2$, which may be above, below, or equal to 60° .

HSPT-Q1-013 — Correct: B — Correct Answer: Quantity B is greater. — Explanation: The diameter is $2 \times 4 = 8$ units, which is less than 9 units.

READING COMPREHENSION ANSWERS

HSPT-R1-001 — Correct: A — Correct Answer: She loosens a joint and shortens a reed. — Explanation: The final paragraph directly states that Mara makes these two adjustments.

HSPT-R1-002 — Correct: B — Correct Answer: To show that usefulness can matter more than perfect appearance — Explanation: The patched kite looked imperfect but remained airborne longer than the perfect-looking kites.

HSPT-R1-003 — Correct: C — Correct Answer: shook briefly — Explanation: The surrounding actions—dipping and then climbing—show that shuddered means shook briefly.

HSPT-R1-004 — Correct: D — Correct Answer: strength gained through repair and persistence — Explanation: Its patches strengthen weak places and encourage Mara to improve rather than abandon her kite.

HSPT-R1-005 — Correct: A — Correct Answer: Imperfect work can succeed when it is thoughtfully improved. — Explanation: Mara repairs an uneven kite, which then succeeds despite its imperfect appearance.

HSPT-R1-006 — Correct: B — Correct Answer: Create pathways that help water enter the soil — Explanation: The passage explicitly says roots create small pathways through which water can soak.

HSPT-R1-007 — Correct: C — Correct Answer: The site's slope, soil, and typical rainfall — Explanation: These three site conditions are named in the third paragraph.

HSPT-R1-008 — Correct: D — Correct Answer: It identifies a drainage problem, explains a response, and notes limitations. — Explanation: The passage introduces overloaded drains, describes rain gardens, and explains conditions affecting their use.

HSPT-R1-009 — Correct: A — Correct Answer: pressure — Explanation: Heavy runoff places pressure or demand on a drainage system that may fill too quickly.

HSPT-R1-010 — Correct: B — Correct Answer: They can collect runoff in several places before it reaches drains. — Explanation: Distributed gardens reduce how much water enters the drainage system at one time.

HSPT-R1-011 — Correct: C — Correct Answer: To explain how pauses can contribute to communication — Explanation: The passage describes several ways silence can support thought, attention, and clearer meaning.

HSPT-R1-012 — Correct: D — Correct Answer: The interviewee may provide an additional detail. — Explanation: The third paragraph directly explains that waiting may prompt an otherwise unspoken detail.

HSPT-R1-013 — Correct: A — Correct Answer: Thoughtful timing can be as important as word choice. — Explanation: The author concludes that communication includes timing as well as words.

HSPT-R1-014 — Correct: B — Correct Answer: accept — Explanation: In context, tolerate means allow or accept a brief silence without rushing to fill it.

HSPT-R1-015 — Correct: C — Correct Answer: can actively serve a purpose — Explanation: Giving a pause the ability to “work” emphasizes its active contribution to communication.

HSPT-R1-016 — Correct: D — Correct Answer: thoughtful and explanatory — Explanation: The author calmly considers several meanings and functions of pauses while explaining the idea.

MATHEMATICS ANSWERS

HSPT-M1-001 — Correct: A — Correct Answer: 8 — Explanation: Multiply first: $3 \times 4 = 12$; then $18 - 12 + 2 = 8$.

HSPT-M1-002 — Correct: B — Correct Answer: $\frac{5}{8}$ — Explanation: $0.625 = \frac{625}{1000}$, which simplifies to $\frac{5}{8}$.

HSPT-M1-003 — Correct: C — Correct Answer: 18 — Explanation: The common factors include 1, 2, 3, 6, 9, and 18; the greatest is 18.

HSPT-M1-004 — Correct: D — Correct Answer: 71 — Explanation: The other choices are divisible by 3; 71 has no positive factors other than 1 and 71.

HSPT-M1-005 — Correct: A — Correct Answer: 26 — Explanation: Substitute the values: $2(4^2) - 3(2) = 32 - 6 = 26$.

HSPT-M1-006 — Correct: B — Correct Answer: 11 — Explanation: Expand and solve: $4x - 12 = 2x + 10$, so $2x = 22$ and $x = 11$.

HSPT-M1-007 — Correct: C — Correct Answer: $2m + 3$ — Explanation: The mileage charge is $2m$ dollars, and the fixed \$3 fee is added.

HSPT-M1-008 — Correct: D — Correct Answer: 8 — Explanation: Twelve batches are four groups of three, so the flour needed is $4 \times 2 = 8$ cups.

HSPT-M1-009 — Correct: A — Correct Answer: 53° — Explanation: Complementary angles total 90° , and $90^\circ - 37^\circ = 53^\circ$.

HSPT-M1-010 — Correct: B — Correct Answer: 48 centimeters — Explanation: The side length is $\sqrt{144} = 12$ centimeters, so the perimeter is $4 \times 12 = 48$ centimeters.

HSPT-M1-011 — Correct: C — Correct Answer: 10 units — Explanation: By the Pythagorean relationship, $\sqrt{6^2 + 8^2} = \sqrt{100} = 10$.

HSPT-M1-012 — Correct: D — Correct Answer: 1 hour 48 minutes — Explanation: From 6:47 to 7:47 is one hour, and from 7:47 to 8:35 is 48 minutes.

HSPT-M1-013 — Correct: A — Correct Answer: 63 miles — Explanation: Multiply the map distance by the scale: $3.5 \times 18 = 63$ miles.

HSPT-M1-014 — Correct: B — Correct Answer: 17 — Explanation: The total is $5 \times 18 = 90$; the four known numbers total 73, leaving 17.

HSPT-M1-015 — Correct: C — Correct Answer: $\frac{1}{4}$ — Explanation: There are 12 tiles total, so the probability of blue is $\frac{3}{12} = \frac{1}{4}$.

HSPT-M1-016 — Correct: D — Correct Answer: The median is 9.5. — Explanation: The middle values are 8 and 11, so the median is $(8 + 11) \div 2 = 9.5$.

LANGUAGE ANSWERS

HSPT-L1-001 — Correct: A — Correct Answer: After the final bell rang, the students hurried outside. — Explanation: A comma correctly follows the introductory dependent clause.

HSPT-L1-002 — Correct: B — Correct Answer: The two players' uniforms were muddy. — Explanation: The apostrophe follows the plural noun players to show that the uniforms belong to both players.

HSPT-L1-003 — Correct: C — Correct Answer: I packed three items: a flashlight, a compass, and a map. — Explanation: A colon correctly introduces a list after the complete independent clause.

HSPT-L1-004 — Correct: D — Correct Answer: Our class visited the Statue of Liberty in October. — Explanation: The landmark's proper name and the month are capitalized, while of remains lowercase.

HSPT-L1-005 — Correct: A — Correct Answer: Professor Elena Ruiz teaches Spanish on Mondays. — Explanation: The title before a name, the language, and the day are properly capitalized.

HSPT-L1-006 — Correct: B — Correct Answer: necessary — Explanation: Necessary is correctly spelled with one c and two s's.

HSPT-L1-007 — Correct: C — Correct Answer: The guide described the ancient bridge. — Explanation: Ancient is misspelled; the correct spelling is ancient.

HSPT-L1-008 — Correct: D — Correct Answer: The basket of clean towels was on the bench. — Explanation: The singular subject basket requires the singular verb was.

HSPT-L1-009 — Correct: A — Correct Answer: Jordan and I prepared the display. — Explanation: The subject pronoun I is correct because Jordan and I perform the action.

HSPT-L1-010 — Correct: B — Correct Answer: had prepared — Explanation: Past perfect shows that preparing dinner occurred before the guests arrived.

HSPT-L1-011 — Correct: C — Correct Answer: affect — Explanation: Affect is the verb meaning influence, which fits what the schedule will do.

HSPT-L1-012 — Correct: D — Correct Answer: We are ready now. — Explanation: This sentence conveys the complete idea without repetitive time expressions.

HSPT-L1-013 — Correct: A — Correct Answer: Sentence 4 — Explanation: Basketball practice in the gym d

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: A square has side length s units, where $s > 0$. Quantity A: its area. Quantity B: its perimeter.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-025

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: Two angles form a linear pair. One angle measures 60° . Quantity A: the other angle.
Quantity B: 90° .

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-026

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: A rectangular prism measures 2 units by 3 units by 4 units. Quantity A: its volume.
Quantity B: 24 cubic units.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

SECTION 3 - READING COMPREHENSION

STIMULUS START

Stimulus ID: HSPT-R1-S04

Section: Reading Comprehension

Stimulus Type: Literary Passage

Title: The Last Rehearsal

Text:

Nico had practiced the opening notes of his cello solo until his fingers moved without hesitation. Yet during the final rehearsal, a rattling sound followed every low note. He checked the strings, adjusted his chair, and began again. The rattle returned.

Across the empty auditorium, custodian Ms. Bell paused beside a heating vent. "Play that phrase once more," she called. When Nico did, she walked slowly along the front row and stopped at a music stand. A loose pencil on its shelf trembled whenever the cello's low notes filled the room.

Nico removed the pencil and laughed with relief. Then Ms. Bell asked him to repeat the phrase. This time the sound was clear, but Nico noticed that he had rushed the final measure. He played it again, listening more carefully than before.

The next evening, the auditorium was crowded. Nico could not see Ms. Bell from the stage, but he remembered how patiently she had searched for the small disturbance. Instead of hurrying through the difficult measure, he let each note settle before beginning the next. When the final note faded, the room remained silent for one breath—and then the applause began.

STIMULUS END

HSPT-R1-017

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S04

Prompt: What causes the rattling sound?

- A) A loose pencil
- B) A cello string
- C) A heating vent
- D) A folding chair

HSPT-R1-018

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S04

Prompt: What does Nico learn from Ms. Bell's search?

- A) Difficult music should be shortened.
- B) Careful attention can solve small problems and improve performance.
- C) Equipment should be replaced before every performance.
- D) An audience rarely notices mistakes.

HSPT-R1-019

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Vocabulary in Context

Stimulus ID: HSPT-R1-S04

Prompt: As used in the final paragraph, settle most nearly means ____.

- A) become fully heard before the next note
- B) fall to the floor
- C) become less valuable
- D) choose a permanent location

HSPT-R1-020

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Literary Elements or Techniques

Stimulus ID: HSPT-R1-S04

Prompt: The loose pencil is important to the plot because it ____.

- A) reveals why Nico selected the cello
- B) leads Nico to practice with greater attention
- C) prevents the concert from beginning
- D) proves Ms. Bell is a musician

HSPT-R1-021

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Main Idea, Central Thought, or Author's Purpose

Stimulus ID: HSPT-R1-S04

Prompt: Which statement best expresses the passage's central idea?

- A) Musical skill depends mainly on natural talent.
- B) Small audiences are harder to please than large ones.
- C) Patient observation can reveal opportunities for improvement.
- D) Performers should avoid changing anything before a concert.

STIMULUS START

Stimulus ID: HSPT-R1-S05

Section: Reading Comprehension

Stimulus Type: Scientific Passage

Title: Why Some Seeds Wait

Text:

Many seeds begin growing soon after they receive water, warmth, and oxygen. Others remain inactive even when these conditions seem favorable. This delay, called dormancy, helps prevent a seed from sprouting at a dangerous time.

Seed coats provide one form of dormancy. A hard coat may block water until weather, soil particles, or an animal's digestion weakens it. Other seeds contain chemical controls that change only after a period of cold. Such seeds may fall in autumn but wait through winter before sprouting. By spring, the cold requirement has been met, and young plants face a longer growing season.

Dormancy does not guarantee survival. A seed may still land where there is too little sunlight or where animals can eat it. However, dormancy spreads risk over time. Seeds from the same plant do not always sprout together; some may wait months or even years. If drought destroys one group of seedlings, later seeds may encounter better conditions.

Farmers and gardeners sometimes imitate natural processes to end dormancy. They may gently scratch a hard seed coat or keep certain seeds in a cool, damp place for several weeks. These methods do not force growth by themselves. They remove a barrier so that a seed can respond when other needs are met.

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S05

Prompt: Why do some autumn seeds benefit from a cold requirement?

- A) They wait until spring, when a longer growing season begins.
- B) They become impossible for animals to eat.
- C) They no longer require water or oxygen.
- D) They can grow beneath frozen soil.

HSPT-R1-024

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Main Idea, Central Thought, or Author's Purpose

Stimulus ID: HSPT-R1-S05

Prompt: What is the main idea of the passage?

- A) Most seeds require gardeners to begin growing.
- B) Dormancy delays sprouting in ways that can improve a seed's chances.
- C) Hard seed coats are the only cause of dormancy.
- D) Seeds from one plant always sprout together.

HSPT-R1-025

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S05

Prompt: Why does the author say dormancy “spreads risk over time”?

- A) Dormant seeds move to several locations.
- B) Seeds become larger while inactive.
- C) Not all seedlings face the same period of poor conditions.
- D) Every dormant seed survives for years.

HSPT-R1-026

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Organization, Tone, Summary, or Text Structure

Stimulus ID: HSPT-R1-S05

Prompt: Which choice best summarizes the final paragraph?

- A) Natural seed barriers cannot be changed.

- B) Gardeners can supply every condition a seed needs.
- C) Cool storage always causes immediate sprouting.
- D) People can copy natural processes to remove certain barriers to sprouting.

STIMULUS START

Stimulus ID: HSPT-R1-S06

Section: Reading Comprehension

Stimulus Type: Informational Passage

Title: Messages in the Margins

Text:

Before inexpensive printed books became common, producing a book required extensive labor. Scribes copied words by hand, and other workers prepared pages, bindings, and colored decorations. Because books were valuable, owners sometimes recorded more than the main text on their pages.

Notes written in margins are called marginalia. A reader might define an unfamiliar word, disagree with an argument, mark an important passage, or record when the book was purchased. Some notes are no more than quick symbols. Others form a conversation across generations: one reader responds to the text, and a later reader responds to the earlier note.

For historians, marginalia can reveal how people actually used a book. A spotless volume may show what information was available, but an annotated one can show which ideas attracted attention. Still, researchers must be cautious. A name written inside a cover does not always identify the person who made every note, and handwriting can be difficult to date.

Modern readers also write beside texts, whether on paper or with digital annotation tools. The technology has changed, but the impulse is familiar. Readers do not merely receive words; they question, connect, and select. A margin may look like unused space, yet it can preserve evidence of an active mind meeting a text.

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Vocabulary in Context

Stimulus ID: HSPT-R1-S06

Prompt: As used in the third paragraph, spotless most nearly means ____.

- A) expensive
- B) unreadable
- C) unmarked
- D) recently printed

HSPT-R1-028

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S06

Prompt: Why must historians be cautious when studying marginalia?

- A) All old notes use secret symbols.
- B) Printed books contain no useful evidence.
- C) Digital notes cannot be preserved.
- D) A book owner's name may not identify the writer of each note.

HSPT-R1-029

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Main Idea, Central Thought, or Author's Purpose

Stimulus ID: HSPT-R1-S06

Prompt: What is the author's main purpose?

- A) To explain how readers' notes can reveal their interaction with texts
- B) To argue that all valuable books should remain unmarked
- C) To teach readers how to identify old handwriting
- D) To compare the cost of paper and digital books

HSPT-R1-030

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S06

Prompt: Which statement would the author most likely agree with?

- A) Only professional scholars should annotate books.
- B) Annotations can make reading a more active process.
- C) Brief symbols have no value to historians.
- D) Modern annotation is unrelated to older marginalia.

HSPT-R1-031

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Literary Elements or Techniques

Stimulus ID: HSPT-R1-S06

Prompt: The phrase "an active mind meeting a text" emphasizes that reading can be ____.

- A) silent
- B) expensive
- C) interactive
- D) difficult

HSPT-R1-032

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Organization, Tone, Summary, or Text Structure

Stimulus ID: HSPT-R1-S06

Prompt: How does the final paragraph relate to the rest of the passage?

- A) It rejects the historical evidence discussed earlier.
- B) It introduces an unrelated method of printing.
- C) It lists rules for writing in borrowed books.
- D) It connects historical marginalia with a similar modern practice.

Skill: Composition

Stimulus ID: HSPT-L1-S02

Prompt: Which revision best combines sentences 3 and 4?

- A) Donated tools labeled and stored near the desk, students signing them out.
- B) Donated tools could be labeled, stored near the library desk, signed out, and returned by an assigned date.
- C) Donated tools could be labeled near the library desk, but students returned them.
- D) Because donated tools could be stored, and students would sign each item out by a date.

ANSWER KEY + EXPLANATIONS

VERBAL SKILLS ANSWERS

HSPT-V1-016 — Correct: B — Correct Answer: peaceful — Explanation: Tranquil means calm and free from disturbance, so peaceful is the closest synonym.

HSPT-V1-017 — Correct: C — Correct Answer: detailed — Explanation: Elaborate describes something containing many carefully developed details.

HSPT-V1-018 — Correct: D — Correct Answer: decrease — Explanation: To diminish is to become or make smaller, which means decrease.

HSPT-V1-019 — Correct: A — Correct Answer: permanent — Explanation: Temporary means lasting a limited time; permanent means lasting indefinitely.

HSPT-V1-020 — Correct: B — Correct Answer: reckless — Explanation: Cautious behavior avoids risk, while reckless behavior ignores it.

HSPT-V1-021 — Correct: C — Correct Answer: contract — Explanation: Expand means grow larger; contract means become smaller.

HSPT-V1-022 — Correct: D — Correct Answer: brush — Explanation: A carpenter uses a hammer, just as a painter uses a brush.

HSPT-V1-023 — Correct: A — Correct Answer: pottery — Explanation: Wool is material made into a sweater, and clay is material made into pottery.

HSPT-V1-024 — Correct: B — Correct Answer: rest — Explanation: Food responds to hunger, just as rest responds to fatigue.

HSPT-V1-025 — Correct: C — Correct Answer: sprint — Explanation: Whisper, murmur, and mutter are ways of speaking quietly; sprint is a way of running.

HSPT-V1-026 — Correct: D — Correct Answer: elm — Explanation: Cedar, maple, birch, and elm are kinds of trees.

HSPT-V1-027 — Correct: A — Correct Answer: measuring tools — Explanation: A compass, ruler, and protractor are tools used to measure or construct geometric figures.

HSPT-V1-028 — Correct: B — Correct Answer: Dana — Explanation: The required order is Dana, Ava, Ben, Carlos, so Dana must be first.

HSPT-V1-029 — Correct: C — Correct Answer: No item in box K is made of glass. —

Explanation: All box K items are flexible, and no glass object can be flexible.

HSPT-V1-030 — Correct: D — Correct Answer: Wednesday — Explanation: Attendance rules out Monday and Friday, leaving Wednesday as the only possible day.

QUANTITATIVE SKILLS ANSWERS

HSPT-Q1-014 — Correct: C — Correct Answer: 46 — Explanation: The increases are 3, 6, 9, and 12; adding the next increase, 15, gives 46.

HSPT-Q1-015 — Correct: D — Correct Answer: 10 — Explanation: Each term is half the preceding term, so $20 \div 2 = 10$.

HSPT-Q1-016 — Correct: A — Correct Answer: 41 — Explanation: The pattern alternates between adding 3 and multiplying by 2; $38 + 3 = 41$.

HSPT-Q1-017 — Correct: B — Correct Answer: $7 \times 12 - 7 \times 5$ — Explanation: The distributive property gives $7(12 - 5) = 7 \times 12 - 7 \times 5$.

HSPT-Q1-018 — Correct: C — Correct Answer: 16 — Explanation: Twenty-eight red flags represent four groups of 7, so blue flags equal $4 \times 4 = 16$.

HSPT-Q1-019 — Correct: D — Correct Answer: 12 — Explanation: Divide both sides by 0.6: $n = 7.2 \div 0.6 = 12$.

HSPT-Q1-020 — Correct: A — Correct Answer: 5,297 — Explanation: Numbers from 5,250 through 5,349 round to 5,300, so 5,297 qualifies.

HSPT-Q1-021 — Correct: B — Correct Answer: Quantity B is greater. — Explanation: $3/5 \div 2/3 = 3/5 \times 3/2 = 9/10$, which is less than 1.

HSPT-Q1-022 — Correct: B — Correct Answer: Quantity B is greater. — Explanation: The least common multiple of 8 and 12 is 24, which is less than 30.

HSPT-Q1-023 — Correct: C — Correct Answer: The two quantities are equal. — Explanation: With $y = 3$, both y^2 and $3y$ equal 9.

HSPT-Q1-024 — Correct: D — Correct Answer: The relationship cannot be determined from the information given. — Explanation: Comparing s^2 with $4s$ depends on whether s is below, equal to, or above 4.

HSPT-Q1-025 — Correct: A — Correct Answer: Quantity A is greater. — Explanation: The other angle is $180^\circ - 60^\circ = 120^\circ$, which is greater than 90° .

HSPT-Q1-026 — Correct: C — Correct Answer: The two quantities are equal. — Explanation: The volume is $2 \times 3 \times 4 = 24$ cubic units, equal to Quantity B.

READING COMPREHENSION ANSWERS

HSPT-R1-017 — Correct: A — Correct Answer: A loose pencil — Explanation: Ms. Bell discovers that a pencil vibrates when Nico plays the low notes.

HSPT-R1-018 — Correct: B — Correct Answer: Careful attention can solve small problems and improve performance. — Explanation: Ms. Bell's patience solves the rattle and inspires Nico to listen more closely.

HSPT-R1-019 — Correct: A — Correct Answer: become fully heard before the next note — Explanation: Nico slows down so that each note finishes sounding before he begins another.

HSPT-R1-020 — Correct: B — Correct Answer: leads Nico to practice with greater attention — Explanation: Removing the pencil clears the rattle, after which Nico notices his rushed measure.

HSPT-R1-021 — Correct: C — Correct Answer: Patient observation can reveal opportunities for improvement. — Explanation: Careful listening identifies both the external rattle and Nico's own rushed playing.

HSPT-R1-022 — Correct: D — Correct Answer: Weather, soil particles, or animal digestion — Explanation: The second paragraph explicitly names these forces as ways to weaken a hard coat.

HSPT-R1-023 — Correct: A — Correct Answer: They wait until spring, when a longer growing season begins. — Explanation: Cold delays autumn sprouting until conditions offer more time for growth.

HSPT-R1-024 — Correct: B — Correct Answer: Dormancy delays sprouting in ways that can improve a seed's chances. — Explanation: The passage explains forms of dormancy and how their timing can reduce risk.

HSPT-R1-025 — Correct: C — Correct Answer: Not all seedlings face the same period of poor conditions. — Explanation: Staggered sprouting allows later seedlings to avoid a drought that harms earlier ones.

HSPT-R1-026 — Correct: D — Correct Answer: People can copy natural processes to remove certain barriers to sprouting. — Explanation: Scratching or cooling seeds removes a dormancy barrier without independently causing growth.

HSPT-R1-027 — Correct: C — Correct Answer: unmarked — Explanation: Spotless contrasts with annotated and therefore describes a volume without readers' marks.

HSPT-R1-028 — Correct: D — Correct Answer: A book owner's name may not identify the writer of each note. — Explanation: The passage directly warns that ownership and authorship of notes may differ.

HSPT-R1-029 — Correct: A — Correct Answer: To explain how readers' notes can reveal their interaction with texts — Explanation: The passage describes marginalia and what it shows about active reading.

HSPT-R1-030 — Correct: B — Correct Answer: Annotations can make reading a more active process. — Explanation: The author says readers question, connect, and select rather than merely receive words.

HSPT-R1-031 — Correct: C — Correct Answer: interactive — Explanation: The metaphor presents reading as an encounter between a reader's thinking and written ideas.

HSPT-R1-032 — Correct: D — Correct Answer: It connects historical marginalia with a similar modern practice. — Explanation: The final paragraph links older handwritten notes to paper and digital annotations today.

MATHEMATICS ANSWERS

HSPT-M1-017 — Correct: C — Correct Answer: $5\frac{11}{12}$ — Explanation: $2\frac{3}{12} + 3\frac{8}{12} = 5\frac{11}{12}$.

HSPT-M1-018 — Correct: D — Correct Answer: 9 — Explanation: $|-14| - |5| = 14 - 5 = 9$.

HSPT-M1-019 — Correct: A — Correct Answer: \$51 — Explanation: The discount is $0.15 \times \$60 = \9 , so the price is $\$60 - \$9 = \$51$.

HSPT-M1-020 — Correct: B — Correct Answer: $2x + 15$ — Explanation: Distribute and combine like terms: $6x + 15 - 4x = 2x + 15$.

HSPT-M1-021 — Correct: D — Correct Answer: $2n - 5 \geq 17$ — Explanation: Twice a number is $2n$, five less is $2n - 5$, and at least means $\geq$.

HSPT-M1-022 — Correct: A — Correct Answer: -10 — Explanation: $f(-2) = 3(-2) - 4 = -6 - 4 = -10$.

HSPT-M1-023 — Correct: B — Correct Answer: 6 — Explanation: Solve $18 + 7w = 60$: $7w = 42$, so $w = 6$.

HSPT-M1-024 — Correct: C — Correct Answer: 8 — Explanation: Exterior angles total 360° , so the polygon has $360^\circ \div 45^\circ = 8$ sides.

HSPT-M1-025 — Correct: D — Correct Answer: 5 centimeters — Explanation: Since $C = 2\pi r$, $10\pi = 2\pi r$ and $r = 5$ centimeters.

HSPT-M1-026 — Correct: A — Correct Answer: 25 square units — Explanation: Both side lengths are 5 units, so the area is $5 \times 5 = 25$ square units.

HSPT-M1-027 — Correct: B — Correct Answer: 2,750 — Explanation: One liter equals 1,000 milliliters, so $2.75 \times 1,000 = 2,750$.

HSPT-M1-028 — Correct: C — Correct Answer: 12 miles per hour — Explanation: Average speed is $42 \div 3.5 = 12$ miles per hour.

HSPT-M1-029 — Correct: D — Correct Answer: 6 — Explanation: Eight feet equals 96 inches, and $96 \div 16 = 6$ pieces.

HSPT-M1-030 — Correct: A — Correct Answer: 11 — Explanation: The range is the maximum minus the minimum: $14 - 3 = 11$.

HSPT-M1-031 — Correct: B — Correct Answer: $1/16$ — Explanation: The probability is $1/4 \times 1/4 = 1/16$.

HSPT-M1-032 — Correct: C — Correct Answer: The sets have equal means but Set B has a greater range. — Explanation: Both totals are 28, but the ranges are 6 for Set A and 12 for Set B.

LANGUAGE ANSWERS

HSPT-L1-016 — Correct: D — Correct Answer: The rain stopped; we continued the game. — Explanation: A semicolon correctly joins two closely related independent clauses.

HSPT-L1-017 — Correct: A — Correct Answer: Maya asked, "Where did you put the tickets?" — Explanation: The comma introduces the quotation, and the question mark belongs inside the closing quotation mark.

HSPT-L1-018 — Correct: B — Correct Answer: We drove west across Kansas in July. — Explanation: Kansas and July are proper names; west indicates direction and remains lowercase.

HSPT-L1-019 — Correct: C — Correct Answer: The science club meets on Tuesday in the library. — Explanation: The generic club and library remain lowercase, while the day Tuesday is capitalized.

HSPT-L1-020 — Correct: D — Correct Answer: embarrass — Explanation: Embarrass is correctly spelled with two r's and two s's.

HSPT-L1-021 — Correct: A — Correct Answer: The package arrived yesterday. — Explanation: Arrived is misspelled; the correct spelling is arrived.

HSPT-L1-022 — Correct: B — Correct Answer: supplies — Explanation: Supplies is the correctly spelled plural form needed in the sentence.

HSPT-L1-023 — Correct: C — Correct Answer: Neither of the answers is correct. — Explanation: The singular subject neither requires the singular verb is.

HSPT-L1-024 — Correct: D — Correct Answer: Lena enjoys sketching, swimming, and baking. — Explanation: All three items use parallel gerund forms.

HSPT-L1-025 — Correct: A — Correct Answer: We followed the marked detour. — Explanation: This choice contains both a complete subject and a complete predicate.

HSPT-L1-026 — Correct: B — Correct Answer: its — Explanation: The possessive pronoun its correctly shows that the tail belongs to the puppy.

HSPT-L1-027 — Correct: C — Correct Answer: nevertheless — Explanation: Nevertheless signals the contrast between the difficult trail and the hikers' timely arrival.

HSPT-L1-028 — Correct: D — Correct Answer: Sentence 5 — Explanation: The cafeteria detail is unrelated to lending tools for student projects.

HSPT-L1-029 — Correct: A — Correct Answer: A student volunteer could check returned tools for damage. — Explanation: This sentence logically adds a useful step to the checkout and return process.

HSPT-L1-030 — Correct: B — Correct Answer: Donated tools could be labeled, stored near the library desk, signed out, and returned by an assigned date. — Explanation: The revision combines both ideas concisely with a parallel series of verb phrases.

HSPT Practice Exam — Exam 1 — Part C

Exam Family: HSPT

Exam Number: 1

Exam Part: C

Question Count: 74

QUESTIONS

SECTION 1 - VERBAL SKILLS

HSPT-V1-031

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Synonyms

Stimulus ID: None

Prompt: Which word is closest in meaning to resilient?

- A) polished
- B) narrow
- C) adaptable
- D) silent

HSPT-V1-032

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Synonyms

Stimulus ID: None

Prompt: Which word is closest in meaning to concise?

- A) cheerful
- B) repeated
- C) uncertain
- D) brief

HSPT-V1-033

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Synonyms

Stimulus ID: None

Prompt: Which word is closest in meaning to obstruct?

- A) block
- B) observe
- C) repair
- D) arrange

HSPT-V1-034

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Antonyms

Stimulus ID: None

Prompt: Which word is most nearly opposite in meaning to generous?

- A) patient
- B) stingy
- C) grateful
- D) honest

HSPT-V1-035

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Antonyms

Stimulus ID: None

Prompt: Which word is most nearly opposite in meaning to artificial?

- A) colorful
- B) modern
- C) natural
- D) smooth

HSPT-V1-036

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Antonyms

Stimulus ID: None

Prompt: Which word is most nearly opposite in meaning to frequent?

- A) regular
- B) expected
- C) nearby
- D) rare

HSPT-V1-037

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Analogies

Stimulus ID: None

Prompt: Orchard is to fruit as vineyard is to ____.

- A) grapes
- B) vines
- C) farmer
- D) juice

HSPT-V1-038

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Analogies

Stimulus ID: None

Prompt: Apprentice is to expert as dawn is to ____.

- A) night
- B) morning
- C) noon
- D) sunset

HSPT-V1-039

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Analogies

Stimulus ID: None

Prompt: Glove is to hand as sheath is to ____.

- A) belt
- B) leather
- C) sword
- D) pocket

HSPT-V1-040

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Classification

Stimulus ID: None

Prompt: Which word does not belong with the others?

- A) triangle
- B) pentagon
- C) rectangle
- D) cylinder

HSPT-V1-041

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Classification

Stimulus ID: None

Prompt: Which word belongs with violin, cello, and harp?

- A) guitar
- B) flute
- C) trumpet
- D) drum

HSPT-V1-042

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Verbal Classification

Stimulus ID: None

Prompt: Mercury, Venus, and Mars are all members of which group?

- A) stars
- B) moons
- C) planets
- D) galaxies

HSPT-V1-043

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Logical Reasoning

Stimulus ID: None

Prompt: Exactly one of two doors is unlocked. The north door is locked. Which statement must be true?

- A) Both doors are locked.
- B) Both doors are unlocked.
- C) The north door will open later.
- D) The south door is unlocked.

HSPT-V1-044

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Logical Reasoning

Stimulus ID: None

Prompt: A red token cannot be beside a blue token. Three tokens—red, green, and blue—are placed in a row. Which token must be in the middle?

- A) green
- B) red
- C) blue
- D) The position cannot be determined.

HSPT-V1-045

Section: Verbal Skills

Type: mcq

Category: Verbal Skills

Skill: Logical Reasoning

Stimulus ID: None

Prompt: All certified guides completed the safety course. Some museum volunteers are certified guides. Which conclusion must be true?

- A) Every volunteer completed the course.
- B) Some museum volunteers completed the safety course.
- C) Only volunteers are certified guides.

D) No guide is a volunteer.

SECTION 2 - QUANTITATIVE SKILLS

HSPT-Q1-027

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Series

Stimulus ID: None

Prompt: What number comes next? 2, 5, 11, 23, 47, ____

A) 71

B) 93

C) 96

D) 95

HSPT-Q1-028

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Series

Stimulus ID: None

Prompt: What number comes next? 81, 64, 49, 36, ____

A) 25

B) 24

C) 18

D) 16

HSPT-Q1-029

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Series

Stimulus ID: None

Prompt: What number comes next? 6, 7, 14, 16, 48, 51, ____

A) 102

B) 204

C) 54

D) 153

HSPT-Q1-030

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Series

Stimulus ID: None

Prompt: What number comes next? $\frac{3}{4}$, $\frac{3}{8}$, $\frac{3}{16}$, $\frac{3}{32}$, ____

A) $\frac{3}{36}$

- B) $\frac{3}{48}$
- C) $\frac{3}{64}$
- D) $\frac{3}{96}$

HSPT-Q1-031

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Manipulation

Stimulus ID: None

Prompt: If $\frac{2}{7}$ of the students equals 10 students, how many students are there altogether?

- A) 28
- B) 30
- C) 32
- D) 35

HSPT-Q1-032

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Manipulation

Stimulus ID: None

Prompt: Which expression has the greatest value?

- A) $3^2 + 4$
- B) 2×7
- C) $20 - 5$
- D) $32 \div 2$

HSPT-Q1-033

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Manipulation

Stimulus ID: None

Prompt: A \$50 item is increased in price by 20% and then decreased by 20%. What is the final price?

- A) \$48
- B) \$50
- C) \$40
- D) \$52

HSPT-Q1-034

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Nongeometric Quantitative Comparison

Stimulus ID: None

Prompt: Quantity A: the remainder when 53 is divided by 6. Quantity B: 4.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-035

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Nongeometric Quantitative Comparison

Stimulus ID: None

Prompt: k is a negative number. Quantity A: $k - 2$. Quantity B: k .

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-036

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Nongeometric Quantitative Comparison

Stimulus ID: None

Prompt: Quantity A: 0.45×200 . Quantity B: 90.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-037

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: A triangle has side lengths 5, 5, and x , where x is a positive integer. Quantity A: its perimeter. Quantity B: 18.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-038

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: A cube has edge length 3 units. Quantity A: the area of one face. Quantity B: the cube's volume.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-039

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: A parallelogram has base b and height h . Quantity A: its area. Quantity B: bh .

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

SECTION 3 - READING COMPREHENSION

STIMULUS START

Stimulus ID: HSPT-R1-S07

Section: Reading Comprehension

Stimulus Type: Literary Passage

Title: The Quiet Mechanism

Text:

When the clock above the town hall stopped, everyone noticed. Its hands pointed stubbornly to 2:17, and people crossing the square began checking their phones. Mr. Imani, who repaired clocks in a narrow shop nearby, was asked to inspect it. He invited his niece Leila to carry the tool case.

Inside the tower, Leila expected to find a broken gear. Instead, every brass wheel appeared whole. Mr. Imani wound the mechanism and listened. A faint scrape sounded, paused, and sounded again. Rather than opening the largest section, he followed the rhythm to a thin metal arm near the bell.

A single screw had loosened. Each time the arm moved, it brushed another piece and slowed the mechanism. Leila handed over a screwdriver, and Mr. Imani tightened the screw by half a turn. The gears stirred, and the minute hand advanced.

"That was all?" Leila asked as the bell marked the next hour.

"Small causes can make loud problems," he replied.

On the way down, Leila carried the case more carefully. It no longer seemed like a box of tools. It seemed like a collection of ways to pay attention.

STIMULUS END

HSPT-R1-033

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S07

Prompt: What stopped the clock from working properly?

- A) A loose screw allowed a metal arm to scrape another piece.
- B) A large brass gear had cracked.
- C) The clock had not been wound for years.
- D) Leila moved the minute hand.

HSPT-R1-034

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S07

Prompt: Why does Leila view the tool case differently at the end?

- A) She wants to own the tools herself.
- B) She understands that careful observation is central to repair.
- C) She discovers that the tools are unusually valuable.
- D) She plans to repair the town hall alone.

HSPT-R1-035

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Vocabulary in Context

Stimulus ID: HSPT-R1-S07

Prompt: As used in the first paragraph, stubbornly suggests that the hands ____.

- A) moved unpredictably
- B) were difficult to see
- C) remained fixed despite expectations
- D) pointed toward the wrong number on purpose

HSPT-R1-036

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Literary Elements or Techniques

Stimulus ID: HSPT-R1-S07

Prompt: Mr. Imani's statement "Small causes can make loud problems" mainly expresses the passage's ____.

- A) setting
- B) conflict
- C) point of view

D) theme

HSPT-R1-037

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Main Idea, Central Thought, or Author's Purpose

Stimulus ID: HSPT-R1-S07

Prompt: Which statement best expresses the central idea?

- A) Careful attention can uncover a simple cause behind a major problem.
- B) Old machines should always be replaced.
- C) Public clocks are more useful than phones.
- D) Repair work depends on carrying many tools.

STIMULUS START

Stimulus ID: HSPT-R1-S08

Section: Reading Comprehension

Stimulus Type: Literary Passage

Title: One More Chair

Text:

For the school storytelling night, Amara arranged twelve chairs in a semicircle. Twelve children had registered, so twelve chairs seemed exact. Then she noticed a boy lingering near the doorway with his father. He had no name tag and kept glancing toward the empty stage.

Amara found another chair in the hallway and placed it at the end of the row. Her teammate Jonah frowned. "If we keep changing the plan, we'll start late," he whispered.

Before Amara could answer, a family entered with two registered children and their younger sister. The sister sat in the extra chair while the boy at the doorway remained standing. Amara brought a second chair. Soon another child arrived unexpectedly, and Jonah silently went to the hallway himself.

When the first storyteller began, the semicircle was uneven and crowded. Yet no one stood at the doorway. During the final story, Jonah leaned toward Amara. "Next time," he said, "we should plan for more than the plan."

Afterward, the boy's father explained that they had only intended to listen from the hall. His son had been nervous about entering. The extra chair, he said, had felt like an invitation.

STIMULUS END

HSPT-R1-038

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S08

Prompt: Why does Amara first add a chair?

- A) A registered child asks for a different seat.

- B) She notices an unregistered boy near the doorway.
- C) Jonah tells her the row is too small.
- D) A storyteller needs a place onstage.

HSPT-R1-039

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Main Idea, Central Thought, or Author's Purpose

Stimulus ID: HSPT-R1-S08

Prompt: Which statement best expresses the passage's central idea?

- A) Events should always begin at the exact scheduled time.
- B) Registration lists usually contain errors.
- C) Leaving room for unexpected needs can help people feel welcome.
- D) Children prefer listening to stories from a hallway.

HSPT-R1-040

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S08

Prompt: What does Jonah's action of fetching a chair show?

- A) He wants to leave the event.
- B) He thinks the semicircle should be straight.
- C) He has forgotten the original plan.
- D) He has begun to understand Amara's reasoning.

HSPT-R1-041

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Literary Elements or Techniques

Stimulus ID: HSPT-R1-S08

Prompt: The extra chair mainly symbolizes ____.

- A) welcome and possibility
- B) poor organization
- C) competition between teammates
- D) the end of the event

HSPT-R1-042

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Organization, Tone, Summary, or Text Structure

Stimulus ID: HSPT-R1-S08

Prompt: Which choice best summarizes the passage?

- A) Jonah reorganizes an event after several families complain.

- B) Amara's willingness to add seats helps unexpected guests join the event.
- C) A child tells a story after watching from the doorway.
- D) Two teammates cancel a program because attendance is too high.

STIMULUS START

Stimulus ID: HSPT-R1-S09

Section: Reading Comprehension

Stimulus Type: Informational Passage

Title: Cooling a City with Shade

Text:

On a sunny day, dark pavement absorbs energy and becomes much warmer than nearby grass. Buildings and roads then release some of that stored heat, keeping developed areas warm even after sunset. This pattern contributes to what researchers call the urban heat-island effect.

Shade can reduce surface temperatures by blocking direct sunlight. Trees provide shade while also releasing water vapor through their leaves, a process that can cool surrounding air. Covered walkways, awnings, and specially designed shade structures can offer similar protection where trees cannot grow.

Placement matters. A single tree in an unused corner may cool less useful space than a row of trees beside a busy sidewalk. Cities must also choose species suited to local rainfall, soil, and available space. Large trees can provide broad shade, but their roots and branches need room. Young trees require years of care before they reach their full cooling potential.

Shade alone cannot solve every problem caused by extreme heat. Buildings may still need efficient cooling, and residents need access to water and safe indoor spaces. Even so, carefully planned shade can make streets more comfortable and reduce the amount of heat that pavement and walls absorb.

STIMULUS END

HSPT-R1-043

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S09

Prompt: Besides providing shade, how can trees cool surrounding air?

- A) By reflecting every ray of sunlight
- B) By releasing water vapor through their leaves
- C) By preventing all wind
- D) By warming nearby soil

HSPT-R1-044

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Main Idea, Central Thought, or Author's Purpose

Stimulus ID: HSPT-R1-S09

Prompt: What is the passage mainly about?

- A) Why all city pavement should be removed
- B) How to grow large trees quickly
- C) Why heat islands occur only after sunset
- D) How thoughtfully placed shade can help reduce urban heat

HSPT-R1-045

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S09

Prompt: Why might a city use an awning instead of a tree in some locations?

- A) The site may lack enough growing space for roots and branches.
- B) Awnings release more water vapor than leaves.
- C) Trees cannot block direct sunlight.
- D) Awnings require many years to provide shade.

HSPT-R1-046

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Vocabulary in Context

Stimulus ID: HSPT-R1-S09

Prompt: As used in the first paragraph, contributes most nearly means ____.

- A) measures precisely
- B) completely prevents
- C) completely prevents
- D) helps cause

HSPT-R1-047

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Organization, Tone, Summary, or Text Structure

Stimulus ID: HSPT-R1-S09

Prompt: How is the passage mainly organized?

- A) It presents two opposing opinions about city design.
- B) It gives a chronological history of tree planting.
- C) It explains a problem, describes one response, and discusses practical limits.
- D) It lists city temperatures from highest to lowest.

SECTION 4 - MATHEMATICS

HSPT-M1-033

Section: Mathematics

Type: mcq

Category: Mathematics
Skill: Numbers and Numeration
Stimulus ID: None
Prompt: What is $\frac{5}{6} - \frac{1}{4}$?

- A) $\frac{1}{2}$
- B) $\frac{2}{3}$
- C) $\frac{3}{10}$
- D) $\frac{7}{12}$

HSPT-M1-034

Category: Mathematics

Skill: Statistics, Data, or Basic Probability

Stimulus ID: None

Prompt: A jar contains 3 white and 7 black beads. One bead is drawn, replaced, and another is drawn. What is the probability that both are white?

- A) $\frac{9}{100}$
- B) $\frac{3}{10}$
- C) $\frac{6}{10}$
- D) $\frac{9}{20}$

HSPT-M1-048

Section: Mathematics

Type: mcq

Category: Mathematics

Skill: Statistics, Data, or Basic Probability

Stimulus ID: None

Prompt: A survey recorded 8 votes for music, 12 for art, 5 for drama, and 15 for sports. What percent chose art?

- A) 12%
- B) 24%
- C) 30%

D) 40%

SECTION 5 - LANGUAGE

HSPT-L1-031

Section: Language

Type: mcq

Category: Language

Skill: Punctuation

Stimulus ID: None

Prompt: Which sentence is punctuated correctly?

- A) Before leaving, check the windows, lock the door, and turn off the lights.
- B) Before leaving check, the windows lock the door and turn off the lights.
- C) Before leaving; check the windows, lock the door and turn off the lights.
- D) Before leaving check the windows; lock the door, and turn off the lights.

HSPT-L1-032

Section: Language

Type: mcq

Category: Language

Skill: Punctuation

Stimulus ID: None

Prompt: Which sentence is punctuated correctly?

- A) My aunt who lives in Denver, arrives tomorrow.
- B) My aunt, who lives in Denver, arrives tomorrow.
- C) My aunt who lives, in Denver arrives tomorrow.
- D) My aunt; who lives in Denver; arrives tomorrow.

HSPT-L1-033

Section: Language

Type: mcq

Category: Language

Skill: Punctuation

Stimulus ID: None

Prompt: Which sentence is punctuated correctly?

- A) Yes I remembered, the permission slip.
- B) Yes; I remembered the permission slip.
- C) Yes, I remembered the permission slip.
- D) Yes I remembered the permission slip,

HSPT-L1-034

Section: Language

Type: mcq

Category: Language

Skill: Capitalization

Stimulus ID: None

Prompt: Which sentence uses capitalization correctly?

- A) We celebrate independence Day in July.

- B) We celebrate Independence day in july.
- C) We Celebrate Independence Day in July.
- D) We celebrate Independence Day in July.

HSPT-L1-035

Section: Language

Type: mcq

Category: Language

Skill: Capitalization

Stimulus ID: None

Prompt: Which sentence uses capitalization correctly?

- A) Dr. Chen spoke at Lincoln Middle School on Friday.
- B) dr. Chen spoke at lincoln Middle School on Friday.
- C) Dr. chen spoke at Lincoln middle school on friday.
- D) Dr. Chen spoke at Lincoln Middle school on Friday.

HSPT-L1-036

Section: Language

Type: mcq

Category: Language

Skill: Spelling

Stimulus ID: None

Prompt: Which word is spelled correctly?

- A) occurance
- B) occurrence
- C) occurence
- D) occuranse

HSPT-L1-037

Section: Language

Type: mcq

Category: Language

Skill: Spelling

Stimulus ID: None

Prompt: Which sentence contains a misspelled word?

- A) The audience remained attentive.
- B) We followed the familiar route.
- C) The machine requires regular maintenence.
- D) Her response was immediate.

HSPT-L1-038

Section: Language

Type: mcq

Category: Language

Skill: Grammar

Stimulus ID: None

Prompt: Which sentence uses pronouns correctly?

- A) The coach gave the forms to Marcus and me.

- B) The coach gave the forms to Marcus and myself.
- C) The coach gave the forms to he and Marcus.
- D) The coach gave the forms to Marcus and I.

Prompt: Which sentence has a clear pronoun reference?

- A) When Luis called Omar, he was leaving.
- B) Luis called Omar while Omar was leaving.
- C) Luis told Omar that he should hurry.
- D) After he arrived, Luis greeted Omar.

STIMULUS START

Stimulus ID: HSPT-L1-S03

Section: Language

Stimulus Type: Editing Passage

Title: A Monthly Repair Table

Text:

(1) Our community center should host a monthly repair table. (2) Volunteers with practical skills could help neighbors mend small household items. (3) Visitors would bring lamps, loose chair legs, torn fabric, or other manageable projects. (4) A clear list of accepted items would keep the event safe and organized. (5) Repairs can extend an object's useful life and keep usable materials out of the trash. (6) The center's parking lot was resurfaced last summer. (7) With careful guidelines, the repair table could teach skills while reducing waste.

Prompt: Which transition would best begin sentence 5?

- A) In contrast,
- B) For example,
- C) Meanwhile,
- D) In addition,

ANSWER KEY + EXPLANATIONS

VERBAL SKILLS ANSWERS

- HSPT-V1-031 — Correct: C — Correct Answer: adaptable — Explanation: Resilient describes an ability to recover and adjust, making adaptable the closest choice.
- HSPT-V1-032 — Correct: D — Correct Answer: brief — Explanation: Concise language expresses an idea clearly in few words, so it is brief.
- HSPT-V1-033 — Correct: A — Correct Answer: block — Explanation: To obstruct something is to block its movement or progress.
- HSPT-V1-034 — Correct: B — Correct Answer: stingy — Explanation: Generous means willing to give; stingy means unwilling to give.
- HSPT-V1-035 — Correct: C — Correct Answer: natural — Explanation: Artificial means made rather than naturally occurring, so natural is its opposite.
- HSPT-V1-036 — Correct: D — Correct Answer: rare — Explanation: Frequent means happening often, while rare means happening seldom.
- HSPT-V1-037 — Correct: A — Correct Answer: grapes — Explanation: An orchard produces fruit, just as a vineyard produces grapes.
- HSPT-V1-038 — Correct: B — Correct Answer: morning — Explanation: An apprentice develops into an expert, while dawn develops into morning.
- HSPT-V1-039 — Correct: C — Correct Answer: sword — Explanation: A glove covers and protects a hand, while a sheath covers and protects a sword.
- HSPT-V1-040 — Correct: D — Correct Answer: cylinder — Explanation: The other choices are two-dimensional polygons; a cylinder is a three-dimensional solid.
- HSPT-V1-041 — Correct: A — Correct Answer: guitar — Explanation: Violin, cello, harp, and guitar are stringed instruments.
- HSPT-V1-042 — Correct: C — Correct Answer: planets — Explanation: Mercury, Venus, and Mars are planets in the solar system.
- HSPT-V1-043 — Correct: D — Correct Answer: The south door is unlocked. — Explanation: Exactly one door is unlocked, and it cannot be the locked north door.
- HSPT-V1-044 — Correct: A — Correct Answer: green — Explanation: Green must separate red and blue because those two cannot be adjacent.
- HSPT-V1-045 — Correct: B — Correct Answer: Some museum volunteers completed the safety course. — Explanation: Some volunteers are certified guides, and every certified guide completed the course.

QUANTITATIVE SKILLS ANSWERS

- HSPT-Q1-027 — Correct: D — Correct Answer: 95 — Explanation: Each term is twice the preceding term plus 1, so $47 \times 2 + 1 = 95$.
- HSPT-Q1-028 — Correct: A — Correct Answer: 25 — Explanation: The terms are descending squares: 9^2 , 8^2 , 7^2 , 6^2 , then $5^2 = 25$.

HSPT-Q1-029 — Correct: B — Correct Answer: 204 — Explanation: The operations are +1, $\times 2$, +2, $\times 3$, +3, then $\times 4$; $51 \times 4 = 204$.

HSPT-Q1-030 — Correct: C — Correct Answer: $\frac{3}{64}$ — Explanation: Each term is divided by 2, so $\frac{3}{32} \div 2 = \frac{3}{64}$.

HSPT-Q1-031 — Correct: D — Correct Answer: 35 — Explanation: If 2 parts equal 10, one part equals 5; therefore 7 parts equal 35.

HSPT-Q1-032 — Correct: D — Correct Answer: $32 \div 2$ — Explanation: The values are 13, 14, 15, and 16, so $32 \div 2$ is greatest.

HSPT-Q1-033 — Correct: A — Correct Answer: \$48 — Explanation: The price becomes \$60, then decreases by \$12; $\$60 - \$12 = \$48$.

HSPT-Q1-034 — Correct: A — Correct Answer: Quantity A is greater. — Explanation: $53 \div 6$ leaves remainder 5, and 5 is greater than 4.

HSPT-Q1-035 — Correct: B — Correct Answer: Quantity B is greater. — Explanation: Subtracting 2 makes any number smaller, so k is greater than $k - 2$.

HSPT-Q1-036 — Correct: C — Correct Answer: The two quantities are equal. — Explanation: $0.45 \times 200 = 90$, which equals Quantity B.

HSPT-Q1-037 — Correct: D — Correct Answer: The relationship cannot be determined from the information given. — Explanation: Valid integer values of x can make $10 + x$ less than, equal to, or greater than 18.

HSPT-Q1-038 — Correct: B — Correct Answer: Quantity B is greater. — Explanation: One face has area $3^2 = 9$, while the cube's volume is $3^3 = 27$.

HSPT-Q1-039 — Correct: C — Correct Answer: The two quantities are equal. — Explanation: The area formula for a parallelogram is base $\times$ height, or bh .

READING COMPREHENSION ANSWERS

HSPT-R1-033 — Correct: A — Correct Answer: A loose screw allowed a metal arm to scrape another piece. — Explanation: The passage identifies the loosened screw and scraping arm as the source of the slowdown.

HSPT-R1-034 — Correct: B — Correct Answer: She understands that careful observation is central to repair. — Explanation: Leila sees that listening and tracing a small sound led to the solution.

HSPT-R1-035 — Correct: C — Correct Answer: remained fixed despite expectations — Explanation: The clock should move, but its hands remain fixed at 2:17.

HSPT-R1-036 — Correct: D — Correct Answer: theme — Explanation: The statement expresses the broader lesson that a small cause may create a major visible problem.

HSPT-R1-037 — Correct: A — Correct Answer: Careful attention can uncover a simple cause behind a major problem. — Explanation: Mr. Imani solves the stopped clock by tracing a faint scrape to one screw.

HSPT-R1-038 — Correct: B — Correct Answer: She notices an unregistered boy near the doorway. — Explanation: His hesitation prompts Amara to find the first additional chair.

HSPT-R1-039 — Correct: C — Correct Answer: Leaving room for unexpected needs can help people feel welcome. — Explanation: Extra chairs allow unplanned guests to participate and make one child feel invited.

HSPT-R1-040 — Correct: D — Correct Answer: He has begun to understand Amara's reasoning. — Explanation: Jonah first resists changes but later adds a chair without being asked.

HSPT-R1-041 — Correct: A — Correct Answer: welcome and possibility — Explanation: The father explains that the available chair felt like an invitation to his nervous son.

HSPT-R1-042 — Correct: B — Correct Answer: Amara's willingness to add seats helps unexpected guests join the event. — Explanation: This choice includes the central action and its important effect without unnecessary details.

HSPT-R1-043 — Correct: B — Correct Answer: By releasing water vapor through their leaves — Explanation: The second paragraph explicitly identifies this cooling process.

HSPT-R1-044 — Correct: D — Correct Answer: How thoughtfully placed shade can help reduce urban heat — Explanation: The passage explains shade's benefits, placement, options, and limitations in cities.

HSPT-R1-045 — Correct: A — Correct Answer: The site may lack enough growing space for roots and branches. — Explanation: The passage says structures can provide shade where trees cannot grow and notes trees' space requirements.

HSPT-R1-046 — Correct: D — Correct Answer: helps cause — Explanation: Heat stored and released by developed surfaces helps cause the heat-island pattern.

HSPT-R1-047 — Correct: C — Correct Answer: It explains a problem, describes one response, and discusses practical limits. — Explanation: The passage introduces urban heat, presents shade strategies, and notes placement and other needed protections.

MATHEMATICS ANSWERS

HSPT-M1-033 — Correct: D — Correct Answer: $7/12$ — Explanation: Use denominator 12: $10/12 - 3/12 = 7/12$.

HSPT-M1-034 — Correct: D — Correct Answer: 14 — Explanation: Fourteen divides 98 evenly and is itself a multiple of 14.

HSPT-M1-035 — Correct: A — Correct Answer: -18 — Explanation: Multiply first: $4(-3) = -12$; then $-6 + (-12) = -18$.

HSPT-M1-036 — Correct: B — Correct Answer: 80 — Explanation: Round 19.8 to 20 and 4.1 to 4; $20 \times 4 = 80$.

HSPT-M1-037 — Correct: D — Correct Answer: 24 — Explanation: Multiply both sides by $4/3$: $x = 18 \times 4/3 = 24$.

HSPT-M1-038 — Correct: A — Correct Answer: $8 - y$ — Explanation: Distribute and combine: $5y - 6y + 8 = 8 - y$.

HSPT-M1-039 — Correct: B — Correct Answer: (2, 5) — Explanation: Substituting $x = 2$ gives $y = 2(2) + 1 = 5$.

HSPT-M1-040 — Correct: C — Correct Answer: 25 — Explanation: The integers are 23, 24, and 25, which total 72; the greatest is 25.

HSPT-M1-041 — Correct: A — Correct Answer: 55 square units — Explanation: The area is $1/2(8 + 14)(5) = 55$ square units.

HSPT-M1-042 — Correct: B — Correct Answer: 15 — Explanation: The scale factor is $9/6 = 1.5$, so $10 \times 1.5 = 15$.

HSPT-M1-043 — Correct: C — Correct Answer: 720° — Explanation: A hexagon's angle sum is $(6 - 2) \times 180^\circ = 720^\circ$.

HSPT-M1-044 — Correct: D — Correct Answer: 56 — Explanation: Three pounds equal 48 ounces; $48 + 8 = 56$ ounces.

HSPT-M1-045 — Correct: B — Correct Answer: 35 — Explanation: The rate is $15 \div 6 = 2.5$ gallons per minute; $2.5 \times 14 = 35$.

HSPT-M1-046 — Correct: C — Correct Answer: 12 — Explanation: Any x from 9 through 15 preserves 9 as the middle value; 12 qualifies.

HSPT-M1-047 — Correct: A — Correct Answer: $9/100$ — Explanation: With replacement, the probability is $3/10 \times 3/10 = 9/100$.

HSPT-M1-048 — Correct: C — Correct Answer: 30% — Explanation: There are 40 votes total, and $12/40 = 0.30 = 30\%$.

LANGUAGE ANSWERS

HSPT-L1-031 — Correct: A — Correct Answer: Before leaving, check the windows, lock the door, and turn off the lights. — Explanation: The introductory phrase takes a comma, and commas separate the three parallel commands.

HSPT-L1-032 — Correct: B — Correct Answer: My aunt, who lives in Denver, arrives tomorrow. — Explanation: Commas correctly set off the nonessential clause about where the aunt lives.

HSPT-L1-033 — Correct: C — Correct Answer: Yes, I remembered the permission slip. — Explanation: A comma correctly follows the introductory word Yes.

HSPT-L1-034 — Correct: D — Correct Answer: We celebrate Independence Day in July. — Explanation: The holiday name and month are proper nouns and require capitalization.

HSPT-L1-035 — Correct: A — Correct Answer: Dr. Chen spoke at Lincoln Middle School on Friday. — Explanation: The title, person's name, school's full name, and day are correctly capitalized.

HSPT-L1-036 — Correct: B — Correct Answer: occurrence — Explanation: Occurrence is correctly spelled with two c's, two r's, and the ending -ence.

HSPT-L1-037 — Correct: C — Correct Answer: The machine requires regular maintenance. — Explanation: Maintenance is misspelled; the correct spelling is maintenance.

HSPT-L1-038 — Correct: A — Correct Answer: The coach gave the forms to Marcus and me. — Explanation: The object pronoun me correctly follows the preposition to.

HSPT-L1-039 — Correct: A — Correct Answer: Wearing a yellow jacket, Talia was easy to spot. — Explanation: The opening modifier clearly and logically describes Talia.

HSPT-L1-040 — Correct: B — Correct Answer: The dog barked, and the baby woke up. — Explanation: A comma and coordinating conjunction correctly join the two independent clauses.

HSPT-L1-041 — Correct: C — Correct Answer: fewer — Explanation: Fewer is used when comparing countable plural nouns such as chairs.

HSPT-L1-042 — Correct: D — Correct Answer: The sparrow darted across the yard. — Explanation: Sparrow and darted identify the subject and action more precisely than general words.

HSPT-L1-043 — Correct: B — Correct Answer: Luis called Omar while Omar was leaving. — Explanation: Repeating Omar removes uncertainty about who was leaving.

HSPT-L1-044 — Correct: C — Correct Answer: Sentence 6 — Explanation: Resurfacing the parking lot does not support the proposal for a repair table.

HSPT-L1-045 — Correct: D — Correct Answer: In addition, — Explanation: Sentence 5 adds another benefit of the proposed repair table.

Category: Quantitative Skills

Skill: Number Manipulation

Stimulus ID: None

Prompt: A mixture uses juice and water in a ratio of 3:2. If the mixture totals 25 cups, how many cups are water?

- A) 5
- B) 10
- C) 15
- D) 20

HSPT-Q1-046

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Number Manipulation

Stimulus ID: None

Prompt: Which decimal is equal to $\frac{7}{16}$?

- A) 0.375
- B) 0.425
- C) 0.4375
- D) 0.625

HSPT-Q1-047

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Nongeometric Quantitative Comparison

Stimulus ID: None

Prompt: Quantity A: 2^5 . Quantity B: $5^2 + 7$.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-048

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Nongeometric Quantitative Comparison

Stimulus ID: None

Prompt: $m > 0$. Quantity A: $m/4$. Quantity B: $m/5$.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-049

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Nongeometric Quantitative Comparison

Stimulus ID: None

Prompt: x is a nonzero number. Quantity A: x . Quantity B: $|x|$.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-050

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: A right angle is divided into two angles. One measures x° . Quantity A: the other angle.
Quantity B: 55° .

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-051

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: A circle has diameter 12 units. Quantity A: its radius. Quantity B: 5 units.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

HSPT-Q1-052

Section: Quantitative Skills

Type: mcq

Category: Quantitative Skills

Skill: Geometric Quantitative Comparison

Stimulus ID: None

Prompt: A rectangle has area 48 square units and length 8 units. Quantity A: its width.

Quantity B: 7 units.

- A) Quantity A is greater.
- B) Quantity B is greater.
- C) The two quantities are equal.
- D) The relationship cannot be determined from the information given.

SECTION 3 - READING COMPREHENSION

STIMULUS START

Stimulus ID: HSPT-R1-S10

Section: Reading Comprehension

Stimulus Type: Literary Passage

Title: The Borrowed Bowl

Text:

For the spring market, Tessa planned to sell small bowls she had shaped in the school pottery studio. Most were smooth and evenly glazed, but one pale bowl tilted slightly to the left. She placed it beneath the table, certain no customer would choose it.

Just before the market opened, the art teacher asked to borrow a bowl for holding raffle tickets. Tessa offered the tilted one. As people arrived, they reached into it again and again. A little girl traced the uneven rim and said it looked like a wave. Another visitor asked whether the pale streak in its glaze was intentional.

By noon, the raffle ended, and the teacher returned the empty bowl. Tessa set it beside the bowls for sale, though she turned the tilted side toward the wall. Within minutes, an older woman picked it up. She said she wanted a bowl for keys near her front door and liked that this one seemed to lean toward whoever approached it.

After the woman bought it, Tessa did not decide that every flaw was beautiful. She still wanted to shape clay skillfully. But when she packed the unsold bowls, she stopped measuring success only by perfect circles.

STIMULUS END

HSPT-R1-048

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S10

Prompt: Why does Tessa initially place the pale bowl beneath the table?

- A) She wants to reserve it for the raffle.
- B) She believes its tilt will make it undesirable.
- C) Its glaze has not dried.
- D) The teacher tells her to hide it.

HSPT-R1-049

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S10

Prompt: What most changes Tessa's view of the bowl?

- A) The other bowls remain unsold.
- B) Her teacher explains how to repair it.
- C) Several people respond positively to its unusual features.
- D) The raffle raises more money than expected.

HSPT-R1-050

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Vocabulary in Context

Stimulus ID: HSPT-R1-S10

Prompt: As used in the last paragraph, measuring most nearly means ____.

- A) calculating a physical width
- B) drawing a straight line
- C) comparing two objects by weight
- D) judging

HSPT-R1-051

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Literary Elements or Techniques

Stimulus ID: HSPT-R1-S10

Prompt: The tilted bowl mainly symbolizes ____.

- A) value that can exist without perfection
- B) the importance of winning a raffle
- C) the difficulty of using pottery tools
- D) the cost of handmade goods

HSPT-R1-052

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Organization, Tone, Summary, or Text Structure

Stimulus ID: HSPT-R1-S10

Prompt: Which choice best summarizes the passage?

- A) A teacher teaches Tessa to make a perfectly round bowl.
- B) Customers help Tessa see that an imperfect bowl can still be useful and appealing.
- C) Tessa sells every bowl after displaying them in a raffle.
- D) A customer buys a bowl because it matches her other pottery.

STIMULUS START

Stimulus ID: HSPT-R1-S11

Section: Reading Comprehension

Stimulus Type: Scientific Passage

Title: Life on a Fallen Log

Text:

A fallen tree may look like forest waste, but it can become a busy habitat. Once a trunk lies on the ground, fungi begin breaking down its wood. Their threadlike structures spread through cracks and release substances that help decompose tough plant material.

As the wood softens, insects tunnel beneath the bark. These tunnels create spaces where moisture collects. Salamanders and other small animals may shelter in the cool, damp areas, while birds search the log for insects. Mosses sometimes grow on the surface and hold additional water.

Decomposition also returns nutrients to the soil. The process is gradual: a large trunk may take decades to become part of the forest floor. During that time, it changes from solid wood to a softer material sometimes called nurse wood. Seeds that land on it may sprout above the crowded ground, where they can reach light without competing with as many low plants.

Removing every fallen tree can therefore reduce shelter, food, moisture, and growing sites. In places where a log creates a safety hazard, removal may be necessary. Elsewhere, leaving some dead wood allows a tree to continue supporting forest life long after it has stopped growing.

STIMULUS END

HSPT-R1-053

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Significant Details or Textual Evidence

Stimulus ID: HSPT-R1-S11

Prompt: What do insect tunnels help create?

- A) Stronger bark
- B) New branches
- C) Spaces where moisture collects
- D) Areas without fungi

HSPT-R1-054

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Main Idea, Central Thought, or Author's Purpose

Stimulus ID: HSPT-R1-S11

Prompt: What is the main idea of the passage?

- A) Fallen logs should always be removed immediately.
- B) Only insects benefit from dead wood.
- C) Fallen logs support forest life as they gradually decompose.
- D) Nurse wood forms only in crowded forests.

HSPT-R1-055

Section: Reading Comprehension

Type: mcq

Category: Reading Comprehension

Skill: Inference

Stimulus ID: HSPT-R1-S11

Prompt: Why may seedlings benefit from growing on nurse wood?

- A) They no longer need nutrients.
- B) They are protected from every animal.
- C) Their roots never touch moisture.
- D) They may face less competition from low plants.

Type: mcq

Category: Reading Comprehension

Skill: Organization, Tone, Summary, or Text Structure

Stimulus ID: HSPT-R1-S11

Prompt: How is the passage mainly organized?

- A) It argues against two equally supported positions.
- B) It follows changes in a fallen log and explains their ecological effects.
- C) It compares forests in four climates.
- D) It gives directions for cutting a tree safely.

STIMULUS START

Stimulus ID: HSPT-R1-S12

Section: Reading Comprehension

Stimulus Type: Historical-Style Passage

Title: Maps Made from Reports

Text:

Before satellites photographed storms, weather information traveled by message. In the nineteenth century, expanding telegraph networks allowed observers in different towns to report temperature, wind, and air pressure to a central office. For the first time, measurements taken far apart could be compared soon after they were recorded.

Workers plotted the reports on maps. When similar air-pressure readings were connected, patterns appeared across regions. A single observation could describe only one place, but a map assembled from many observations could show the movement of a weather system. These early maps did not provide the detailed forecasts people expect today, yet they made short-term warnings more practical.

The system had limits. Instruments were not always calibrated alike, messages could arrive late, and large areas had few reporting stations. Mapmakers had to decide how much confidence to place in incomplete information. They revised maps as new reports arrived rather than treating the first version as final.

This work established an important principle of modern forecasting: useful predictions depend not only on gathering data but also on combining observations from many locations. Technology has transformed the speed and scale of that work, but the need to connect separate measurements remains.

Prompt: Which sentence should be removed to improve paragraph unity?

- A) Sentence 2
- B) Sentence 3
- C) Sentence 4
- D) Sentence 6

HSPT-L1-060

Section: Language

Type: mcq

Category: Language

Skill: Composition

Stimulus ID: HSPT-L1-S04

Prompt: Which sentence would make the most effective conclusion?

- A) Some neighborhoods contain several schools.
- B) The project would help students discover patterns in an environment they hear every day.
- C) Maps can be folded or displayed on walls.
- D) Traffic is usually louder than a whisper.

ANSWER KEY + EXPLANATIONS

VERBAL SKILLS ANSWERS

HSPT-V1-046 — Correct: B — Correct Answer: watchful — Explanation: Vigilant means staying alert and watchful for possible problems.

HSPT-V1-047 — Correct: C — Correct Answer: possible — Explanation: Feasible describes something that can be done, meaning possible.

HSPT-V1-048 — Correct: D — Correct Answer: keep — Explanation: To retain something is to continue to have or keep it.

HSPT-V1-049 — Correct: A — Correct Answer: occupied — Explanation: Vacant means empty or unoccupied; occupied is its opposite.

HSPT-V1-050 — Correct: B — Correct Answer: reject — Explanation: To approve is to accept or authorize, while to reject is to refuse.

HSPT-V1-051 — Correct: C — Correct Answer: opaque — Explanation: Transparent material permits sight through it; opaque material does not.

HSPT-V1-052 — Correct: D — Correct Answer: fish — Explanation: An aviary houses birds, just as an aquarium houses fish.

HSPT-V1-053 — Correct: A — Correct Answer: meal — Explanation: A blueprint guides the creation of a building, while a recipe guides the creation of a meal.

HSPT-V1-054 — Correct: B — Correct Answer: invention — Explanation: A spark can begin a fire, just as an idea can begin an invention.

HSPT-V1-055 — Correct: D — Correct Answer: complain — Explanation: Applaud, cheer, and praise express approval; complain expresses dissatisfaction.

HSPT-V1-056 — Correct: A — Correct Answer: diamond — Explanation: Ruby, emerald, sapphire, and diamond are gemstones.

HSPT-V1-057 — Correct: C — Correct Answer: books — Explanation: A novel, biography, and dictionary are all types of books.

HSPT-V1-058 — Correct: D — Correct Answer: Someone signed for the package. — Explanation: Delivery occurs only when the required signature is provided.

HSPT-V1-059 — Correct: B — Correct Answer: J — Explanation: The only possible order is K, J, L, M, so J finishes second.

HSPT-V1-060 — Correct: C — Correct Answer: The lake trail — Explanation: The uninspected bridge proves the oak trail is closed; exactly one trail is open, so the lake trail is open.

QUANTITATIVE SKILLS ANSWERS

HSPT-Q1-040 — Correct: A — Correct Answer: 66 — Explanation: The differences double: 2, 4, 8, 16, then 32; $34 + 32 = 66$.

HSPT-Q1-041 — Correct: B — Correct Answer: 40 — Explanation: Successive subtractions are 4, 8, 12, and 16; subtracting 20 next gives 40.

HSPT-Q1-042 — Correct: C — Correct Answer: 42 — Explanation: The terms are products 1×2 , 2×3 , 3×4 , and so on; $6 \times 7 = 42$.

HSPT-Q1-043 — Correct: D — Correct Answer: 8 — Explanation: Subtract $3n$ and 2: $2n = 16$, so $n = 8$.

HSPT-Q1-044 — Correct: A — Correct Answer: 180 — Explanation: The least common multiple of 9, 12, and 15 is $2^2 \times 3^2 \times 5 = 180$.

HSPT-Q1-045 — Correct: B — Correct Answer: 10 — Explanation: Water is 2 of 5 equal parts, so $2/5 \times 25 = 10$ cups.

HSPT-Q1-046 — Correct: C — Correct Answer: 0.4375 — Explanation: Dividing 7 by 16 gives 0.4375.

HSPT-Q1-047 — Correct: C — Correct Answer: The two quantities are equal. — Explanation: Both quantities equal 32: $2^5 = 32$ and $5^2 + 7 = 32$.

HSPT-Q1-048 — Correct: A — Correct Answer: Quantity A is greater. — Explanation: For positive m , dividing by 4 gives a larger result than dividing by 5.

HSPT-Q1-049 — Correct: D — Correct Answer: The relationship cannot be determined from the information given. — Explanation: If x is positive the quantities are equal; if x is negative, Quantity B is greater.

HSPT-Q1-050 — Correct: D — Correct Answer: The relationship cannot be determined from the information given. — Explanation: The other angle is $90^\circ - x^\circ$, so its relationship to 55° depends on x .

HSPT-Q1-051 — Correct: A — Correct Answer: Quantity A is greater. — Explanation: The radius is $12 \div 2 = 6$ units, which is greater than 5.

HSPT-Q1-052 — Correct: B — Correct Answer: Quantity B is greater. — Explanation: The width is $48 \div 8 = 6$ units, which is less than 7.

READING COMPREHENSION ANSWERS

HSPT-R1-048 — Correct: B — Correct Answer: She believes its tilt will make it undesirable. — Explanation: Tessa hides the bowl because she assumes no customer will choose its uneven shape.

HSPT-R1-049 — Correct: C — Correct Answer: Several people respond positively to its unusual features. — Explanation: Visitors admire the rim and glaze, and a customer values the bowl's welcoming tilt.

HSPT-R1-050 — Correct: D — Correct Answer: judging — Explanation: Tessa stops judging success solely according to perfectly circular shapes.

HSPT-R1-051 — Correct: A — Correct Answer: value that can exist without perfection — Explanation: Though imperfect, the bowl is useful, admired, and purchased.

HSPT-R1-052 — Correct: B — Correct Answer: Customers help Tessa see that an imperfect bowl can still be useful and appealing. — Explanation: This choice captures both Tessa's changed view and the events that cause it.

HSPT-R1-053 — Correct: C — Correct Answer: Spaces where moisture collects — Explanation: The second paragraph directly states that insect tunnels create moisture-holding spaces.

HSPT-R1-054 — Correct: C — Correct Answer: Fallen logs support forest life as they gradually decompose. — Explanation: The passage describes shelter, food, moisture, nutrients, and growing sites supplied by decomposing logs.

HSPT-R1-055 — Correct: D — Correct Answer: They may face less competition from low plants. — Explanation: Growing above the crowded ground can give seedlings better access to light with fewer nearby competitors.

HSPT-R1-056 — Correct: A — Correct Answer: danger — Explanation: A safety hazard is something that presents danger and may require removal.

HSPT-R1-057 — Correct: B — Correct Answer: It follows changes in a fallen log and explains their ecological effects. — Explanation: Each stage of decomposition is connected to benefits for organisms and soil.

HSPT-R1-058 — Correct: D — Correct Answer: Telegraph networks — Explanation: Telegraph systems carried observations from distant towns to a central office quickly.

HSPT-R1-059 — Correct: C — Correct Answer: How combining telegraphed observations advanced weather mapping — Explanation: The passage traces how shared measurements produced regional maps and more practical warnings.

HSPT-R1-060 — Correct: D — Correct Answer: Later information could improve an incomplete picture. — Explanation: Reports could be delayed or sparse, so new data made a map more complete.

HSPT-R1-061 — Correct: A — Correct Answer: adjusted to measure accurately — Explanation: Instruments not calibrated alike could produce readings that were difficult to compare reliably.

HSPT-R1-062 — Correct: B — Correct Answer: the value of combining separate pieces of information — Explanation: The contrast shows that many observations reveal regional patterns one report cannot show.

MATHEMATICS ANSWERS

HSPT-M1-049 — Correct: A — Correct Answer: 30 — Explanation: Multiply both numbers by 100: $3.6 \div 0.12 = 360 \div 12 = 30$.

HSPT-M1-050 — Correct: D — Correct Answer: $\frac{5}{8}$ — Explanation: The values are 0.62, 0.60, 0.61, and 0.625; 0.625 is greatest.

HSPT-M1-051 — Correct: D — Correct Answer: 24 — Explanation: Twenty-four is the least number divisible by 6, 8, and 12.

HSPT-M1-052 — Correct: D — Correct Answer: 9 — Explanation: Subtract 7: $-2x = -18$; dividing by -2 gives $x = 9$.

HSPT-M1-053 — Correct: A — Correct Answer: $2.50n + 6$ — Explanation: The notebooks cost $2.50n$ dollars, and the single binder adds \$6.

HSPT-M1-054 — Correct: B — Correct Answer: 16 — Explanation: $g(5) = 23$ and $g(3) = 7$, so $23 - 7 = 16$.

HSPT-M1-055 — Correct: C — Correct Answer: $x < 5$ — Explanation: Subtract 4 and divide by 3: $3x < 15$, so $x < 5$.

HSPT-M1-056 — Correct: D — Correct Answer: 94 square units — Explanation: Surface area is $2(5 \times 4 + 5 \times 3 + 4 \times 3) = 2(47) = 94$.

HSPT-M1-057 — Correct: A — Correct Answer: 40° — Explanation: The remaining 80° is divided equally between the two congruent base angles, giving 40° each.

HSPT-M1-058 — Correct: B — Correct Answer: 154 square centimeters — Explanation: Area is $\pi r^2 = 22/7 \times 7^2 = 154$ square centimeters.

HSPT-M1-059 — Correct: C — Correct Answer: 2 — Explanation: Seven hundred fifty grams is 0.75 kilogram; $0.75 + 1.25 = 2$ kilograms.

HSPT-M1-060 — Correct: A — Correct Answer: 3 hours 30 minutes — Explanation: Time is $210 \div 60 = 3.5$ hours, or 3 hours 30 minutes.

HSPT-M1-061 — Correct: B — Correct Answer: \$336 — Explanation: The perimeter is $2(12 + 9) = 42$ meters; $42 \times \$8 = \336 .

HSPT-M1-062 — Correct: C — Correct Answer: 18 — Explanation: The required total is $4 \times 12 = 48$; the known values total 30, leaving 18.

HSPT-M1-063 — Correct: B — Correct Answer: $\frac{1}{4}$ — Explanation: $P(\text{heads}) = \frac{1}{2}$ and $P(\text{even}) = \frac{3}{6} = \frac{1}{2}$; their product is $\frac{1}{4}$.

HSPT-M1-064 — Correct: C — Correct Answer: The range — Explanation: The maximum becomes 30 while the minimum stays 8, so the range must increase.

LANGUAGE ANSWERS

HSPT-L1-046 — Correct: A — Correct Answer: We need the following supplies: tape, string, cardboard, and paint. — Explanation: A colon correctly introduces the list after a complete clause.

HSPT-L1-047 — Correct: B — Correct Answer: Although it was late, we finished the puzzle. — Explanation: A comma correctly separates the introductory dependent clause from the independent clause.

HSPT-L1-048 — Correct: C — Correct Answer: The Pacific Ocean borders California. — Explanation: The ocean's proper name and the state name are correctly capitalized.

HSPT-L1-049 — Correct: D — Correct Answer: Mayor Ortiz visited our school in March. — Explanation: The title before the name, surname, and month are capitalized; generic school remains lowercase.

HSPT-L1-050 — Correct: A — Correct Answer: privilege — Explanation: Privilege is correctly spelled without a d before the g.

HSPT-L1-051 — Correct: C — Correct Answer: She recieved a thoughtful note. — Explanation: Recieved is misspelled; the correct spelling is received.

HSPT-L1-052 — Correct: D — Correct Answer: endurance — Explanation: Endurance is the correctly spelled noun that fits the sentence.

HSPT-L1-053 — Correct: A — Correct Answer: Each of the paintings has a wooden frame. — Explanation: The singular subject each requires the singular verb has.
